A NATIONAL LEADER IN HEALTH CARE AND LIFE SCIENCES

The Anschutz Medical Campus is the only comprehensive academic health sciences center in Colorado, the largest academic health center in the Rocky Mountain region and one of the newest education, research and patient care facilities in the world.

On a campus designed to enhance collaboration and interprofessional education, students learn alongside faculty members who also provide expert clinical care to patients and make meaningful medical discoveries.

- **21,500** employees
- **1.7 million** patient visits annually
- **230 acres** of land for patient care, research and education facilities
- **11.3 million** gross square feet of newly built training facilities for future health professionals

Research and innovation on our campus fuels the Colorado economy, leading to new companies, more jobs and medical treatments that improve our lives.

- **$1.7 billion** university budget (FY17)
- **More than $450 million** in research grants annually
- **$3.7 billion** total campus direct expenditures—more than the Colorado ski industry
- **1,300** patent applications filed and **53 new companies formed** since 2002

“CU Anschutz is an amazing institution. We deliver the finest health care in the Rocky Mountain region, our research enterprise is nationally recognized and we are training the health care workforce of tomorrow. The secret is our faculty, who not only teach, but are among the very best practicing health care providers and researchers.”

– Don Elliman, Chancellor
QUICK FACTS

ENROLLMENT (FALL 2016)
› 4,346 degree-seeking students
  695 MD students
  1,002 nursing students
  449 dental students
  782 pharmacy students
  583 public health students
  985 master’s and PhD students
› 19% out-of-state residents
› 1% international students
› 27% students of color
› 1,070 medical residents and fellows
› 4,167 state-reportable students

SCHOOLS AND COLLEGES
› School of Dental Medicine
› School of Medicine
› College of Nursing
› Skaggs School of Pharmacy and Pharmaceutical Sciences
› Colorado School of Public Health
› Graduate School

PARTNERS AND AFFILIATES
› University of Colorado Hospital
› Children’s Hospital Colorado
› University Physicians, Inc.
› Veterans Affairs Medical Center
› National Jewish Health
› Denver Health

RECOGNIZED AMONG THE BEST

CLINICAL
› University of Colorado Hospital is ranked the #1 hospital in Colorado and is the first hospital in Colorado named in the nation’s Top 20 hospitals. (US News & World Report, 2017)
› More than half of the physicians named in 5280’s survey of Denver Top Docs are CU faculty or clinical volunteers (2016).

EDUCATION
› US News & World Report (2017) ranks the School of Medicine #5 in family medicine, #4 in pediatrics, #7 in rural medicine and #11 in primary care. The College of Nursing ranks #8 in nurse practitioner-pediatric care.

RESEARCH
› $425 million in annual research grant awards (2016)
› NIH funding for schools of pharmacy ($/PhD): #4
› NIH awards for public university schools of medicine: #8

BREAKING NEW GROUND
› First liver transplant in the world
› Created a vaccine for shingles
› First to use human cell cloning to study genetics and cancer
› Discovered that naturally occurring blood proteins prevent the AIDS virus from reproducing and spreading to healthy cells
› First nurse practitioner and school nurse programs in the U.S.
› Only school of public health in the Rocky Mountain West

CARING FOR THE COMMUNITY
› The School of Dental Medicine provides nearly 100,000 clinical dental visits each year, including care to many who live Colorado’s rural and underserved counties.
› The Colorado School of Public Health is a unique collaboration among CU Anschutz, Colorado State University and the University of Northern Colorado to fill public health gaps.
› The CU Anschutz Community-Campus Partnership was launched in 2014 to support the community of Aurora through educational pipeline programs, campus job opportunities, healthcare programs, and community wealth building.
› School of Medicine faculty donated $89.7 million in care to charity and indigent patients in fiscal year 2016.
› University of Colorado Hospital and Children’s Hospital of Colorado provided a combined $195 million in charity care in 2016.

INTERDISCIPLINARY BENEFITS
The physicians at the University of Colorado Hospital and Children’s Hospital Colorado are also faculty members at the CU School of Medicine. Not just great doctors, they are scientists leading research projects and teachers who, to instruct the next generation of caregivers, embrace the latest in research and best ways to treat diseases.
