**The below costs do not include the costs associated with participant and trainer travel, meals, hotel and meeting space. The below costs are for tuition and materials for up to 24 training participants.**

**Basic Transition and Employment Management (Part Number: BTEM)**

4 and ½ day course

\$19,375 for 24 participants

\$30 material cost for each participant over 24 participants

Participants gain the following:

- Understanding and knowledge of the role of the Department of Labor (DOL), DoD, & VA in relation to the transition process
- Knowledge and skills necessary to conduct a general assessment on a customer preparing for a career change
- Knowledge and skills necessary for conducting vocational exploration for customers.
- Knowledge and skills necessary to assist a customer with a job search using various mediums such as web-based, job fairs, networking, etc.
- Knowledge and understanding of information and resources available to customers exploring self-employment options.
- Knowledge and skills in order to prepare and conduct proactive Transition and Employment focused workshops.
- Knowledge and understanding of resume preparation, salary negotiations, and job retention.
- Knowledge and understanding of how to articulate/translate volunteer skills to marketable job skills for customers.

**Course Delivery (Part Number: DEL)**

1 day of general course delivery/instruction

\$3,721

**Course Development (Part Number: DEV)**

1 day of general course development

\$3,721

**Developing the Career Readiness Coach (Part Number: DCRC)**

3 and ½ day course

\$18,250 for 24 participants

This course will provide the foundation of an effective Career Readiness Coach. At the end of this training participants will be able to:

- Explain how career theory benefits a job seeker
- Interpret a formal assessment instrument for the job seeker
- Develop an informal assessment tool for the job seeker
- Practice tried and true one-on-one facilitation skills that will help the job seeker improve his/her communication skills

- Interpret and extrapolate local Labor Market Information data using a practice exercise
- Apply established methods for utilizing social media
- Design and develop a standard resume template using established resume writing principles
- Practice answering difficult interview questions using the four stages of the interview process
- Develop an awareness regarding employee retention using the employer's perspective as the basis for establishing work ethic skills

This course is interactive and driven toward helping the career coach become the premier applicant mentor in your office.

### **Effective Business Outreach Strategies (Part Number: EBOS)**

6 hour course

\$3,721 for 24 participants

\$15 material cost for each participant over 24 participants

Description: This seminar is designed from the perspective of businesses and their hiring needs. The seminar will begin with an understanding of how hiring authorities find job candidates and fill position openings in the hidden job market. By the end of the training, each participant will have the knowledge to incorporate top skill sets used by the most successful job developers.

They will leave with proven techniques for expanding their network and positioning themselves as a valued hiring resource.

Practical applications include telephone presentations for an initial contact, the use of e-mail as a communication tool, creating powerful follow-ups and handling objections.

### **Job Coaching for Offender Populations (Part Number: JCOP)**

6 hour course

\$3,721 for 24 participants

\$15 material cost for each participant over 24 participants

Description: Focuses on working with formerly incarcerated veterans in helping them find employment through job coaching, retention and placement. The course is designed for anyone who works with formerly incarcerated individuals in helping them find employment.

### **Personal Financial Readiness (Part Number: PFR)**

4 and ½ day course plus several pre-course reading assignments

\$19,375 for 24 participants

\$30 material cost for each participant over 24 participants

Description: This course is designed to teach the basics of personal financial management to Airman & Family Readiness Center (A&FRC) Community

Readiness Consultants (CRC). CRCs will be equipped with the most current and comprehensive tools to provide assistance to members/family members. The course

encompasses the seven core compliance requirements (i.e., Military Pay Education, Saving and Investing, Credit Reports and Credit Management, Debt Management, Consumer Education and Awareness, Mandatory First Duty Station).

All requirements are derived from DoDIs/AFI and include detailed instruction on conducting financial counseling while utilizing the FIRST Spending Plan.

The course is specifically designed for CRCs who are inexperienced in the PFR arena.

**Preseparation Counselor Training Course (Part Number: Pre Sep)**

4 and ½ day course

\$19,375 for 24 participants

\$30 material cost for each participant over 24 participants

Description: This course, developed by the National Learning Center in conjunction with a Department of Defense committee, is designed to provide Preseparation Counselors a standard format to follow when conducting Preseparation Counseling sessions.

This course focuses on participants gaining knowledge and understanding about the Law, DoD guidance and timelines as related to Preseparation Counseling. Participants are introduced to the Preseparation Counseling Checklist, DD 2648 and provided detailed information regarding each element on the checklist. Participants research each element and present the knowledge to other counselors during this session.
