Helpful Parking Hints and Information:

1. There is current availability for permit parking at the Anschutz Medical Campus. We strongly recommend signing up for parking prior to your actual need to park as visitor parking tends to fill very fast.

2. If you intend to pay daily on visitor parking lots and they are getting full, additional visitor parking is open in the Henderson Parking Garage and in the Monte Vista parking lot. Visitor parking rates are $1/hour up to $5 for all day parking. Please see map for locations the following lots are available for Visitor Parking:

   - Julesburg
   - Georgetown
   - Ignacio
   - Henderson

3. There is after hours/weekend parking available. Once signed up for this type of account, parking is available in the gated permit parking lots from 6:00pm to 6:00am, Monday through Friday (your AMC Employee ID will be ‘loaded’ to allow you to park after hours in these lots when you sign up.) Parking in permit lots is also available on Saturday and Sunday. There is no monthly charge for an after hours/weekend parking account.
However there is a one time $10 activation fee which will be charged when you sign up. PLEASE NOTE: if you are in the lots beyond these hours (i.e. remain parked after 6 a.m.) you will have to call the Parking number posted at the exit. You will then pay the daily parking rates for your extended stay and Parking will assist you with exiting.

**COMMONLY ASKED PARKING AND TRANSPORTATION RELATED QUESTIONS**

**Q:** How much do I pay for parking?
**A:** Student parking is $36/month and short term weekly parking is $10/week.

**Q:** How do I pay each month?
**A:** You can pay in the Parking Office each month by cash, check or credit card.

**Q:** Can I pay for more than one month at a time?
**A:** You can pay for one month, multiple months or a full semester if you prefer. Monthly parking can be prorated for half of a month (the 15th) if you have a need stop or restart parking.
Q: What if I don’t want to sign up now but decide I want to a later date?  
A: Parking can be arranged at anytime. However, the monthly rate is only prorated for half month increments.

Q: I need to sign up for parking but I cannot get there my first day on campus. What should I do?  
A: You can pay daily and park in a visitor parking lot. We will credit you up to 3 days of parking toward your monthly payment when you sign up for the entire month. To get this credit you must bring your parking receipts for the consecutive days you paid for visitor parking.

Q: How do I cancel my parking?  
A: You must notify the parking office in advance of your intent to cancel parking. If you do not notify the Parking Office you will continue to be billed.

Q: Do I get a parking access card for my car?  
A: Parking access is added to your University ID. Upon entering the gate to the parking lot simply wave your ID a few inches away from the reader and the gate will open.

Q: What if I have more than one vehicle that I will drive?  
A: Notify the Parking Office of any additional vehicles. They will be added to your account.

Q: What if my friend and I want to share parking?  
A: Carpool parking is available. You must sign up for a carpool badge in the Parking Office. All carpool participants must be registered in the carpool. You will receive a carpool parking card. The parking access will not be on your ID Badge. The carpool 'card' will allow for 24/7 access to all permit lots. Other carpool participants’ IDs can be activated to allow the after hours parking at no additional charge.

Q: What do I do about parking if I forgot my ID Badge?  
A: You should park in a visitor parking lot and notify the Parking Office immediately. They will verify your account and you will not be issued a citation that day.

Q: I arrive later in the morning to campus - what if I cannot find a space?  
A: There is more than adequate parking available on campus for the permit holders. However, sometimes the most desirable parking space may not be close your destination. The permit parking lots that will typically have available parking later in the mornings are Evergreen, Leadville and the Henderson Parking garage. In the worst case, if all parking is truly taken, and can be verified by parking staff, you may park in a visitor lot – however you must notify the parking office immediately to avoid being issued a ticket.

Q: Are there any general guidelines to having permit parking?  
A: Following a few of these simple parking rules and regulations will help to ensure you do not experience difficulties when entering or exiting the parking lots.

1. Allow only one vehicle per card access into the parking lot. Following too close or “tailgating” into a parking lot behind another vehicle will cause in difficulties or delays upon trying to exit.
2. If the gate will not open when you present your ID badge please do not try to push the gate open manually but rather park in a visitor lot and immediately notify the
Parking Office of your dilemma. If you are already in the parking lot and trying to exit please call the Parking number posted at every exit.

3. Use only the designated drive paths in and out of parking lots. Other methods could potentially damage landscape areas, curbs and/or sidewalks.

4. Park within the designated lines of the parking lot to help maximize the use of the parking spaces for everyone on campus.

5. Aisle ways and rows are designed to allow a safe flow of traffic in and out of the parking lot. The widths also allow emergency vehicles when necessary. For these reasons, please do not park at the ends of rows or aisle ways.

6. Your parking access is assigned to your ID badge only and is intended for your use exclusively.

7. If you are ever unsure about a parking issue contact the Parking Office right away.
