ADDENDUM 1

QUESTIONS/RESPONSES:

1. Will there be any extra materials required for the Carpet Tile and if so, what % of that installed?

   Response:
   Per the University of Colorado Anschutz Medical Campus Guidelines and Design Standards “Extra Stock Materials” Section 01 78 46 – 2: Tile Carping 100 sq. ft. of full-size units for each type installed.

2. In #3 of Minimum requirements there is a note that the Subcontractor’s Statement of Experience is to be submitted prior to the quote. Is this wanted prior to the quote or with/at the same time as the quote?

   Response:
   In the Mandatory Walk through CU Anschutz Project Manager Andy Madsen said that “the Contractors can either submit their Subcontractor’s Statement of Experience early before the bid due date or at the same time as your bid, but please don’t put them in 1 Portable Document Format (PDF) document.”

3. We noticed that there is not a bid form provided. Do you have a bid form or should we just submit our pricing on company letter head?

   Response:
   Have your bid on your company letter head.
