ADDENDUM 1

QUESTIONS/RESPONSES:

1. Please confirm the page count for the proposal submission is 20 pages front and back, as confirmed at the pre-bid meeting.
   
   Response: Confirmed

2. Per the pre-bid, it is understood that the design of the controls system is contracted with the Owner. Please confirm the procurement and installation of the control devices and system is to be contracted with the CM/GC?

   Response: Confirmed

3. Are the existing VAV’s pneumatic or electrically controlled?

   Response: RMH is currently investigating existing HVAC conditions in the building. There are some VAV’s in the building that are pneumatic controlled

4. Are you expecting RMH to be furnishing any more information or drawings for medium voltage portion of the scope in Project “B”

   Response: See attached drawings

There were no further questions.

ADDITIONAL INFORMATION: Attached Drawings
