

Colorado Combined Campaign (CCC)

It is the season of giving and that means the Colorado Combined Campaign at the University of Colorado Denver is in high gear. Again this year we are going **green** with a paperless campaign; not only is this good for our environment but it also cuts the University's administrative costs dramatically. Last year's **green** campaign was a huge success with UCD raising more money than other state entity! Let's all pull together and break that record; together we can make a difference.

It's easy to contribute through online giving with a payroll deduction or credit card payment.

To make your pledge or one-time gift online:

- go to <https://donor.unitedeway.org/?campaign=ccc10> ; select "Pledge Now"
- create your new username and password and select "register"
- select "register" (re-verify username & password, fill in required fields)

To choose your charity:

Go to <http://www.colorado.gov/ccc/> select "For Donors" and view the 2010 CCC Charity Listings. Use the "find" box in the upper left hand corner to search for your charity.

If you prefer to fax or mail your pledge or one-time check or cash contribution:

Print the donation form at <http://www.colorado.gov/ccc/> select "For Donors" then select 2010 Blank Pledge Form. Please fax the completed pledge form to (303) 315-2726 or if you are writing a check or sending cash, please mail it along with your form to Julia Agazio at UCD Campus Box 130. If you have questions, please contact Julia at (303) 315-2717 or by email at julia.agazio@ucdenver.edu

Promotions:

This year Suncor Energy has made a generous donation to CCC to encourage participation. Every CCC donor is eligible to win a gas certificate. Additional giveaways include get-away stays at local hotels and gift certificates to Starbuck's Coffee and several local restaurants. It's easy; just donate to your favorite charity to become eligible for any of these drawings.
