Thank you again to all of this year’s Colorado Combined Campaign (CCC) contributors.

We are within close reach of meeting last year’s contributions total for the University of Colorado Denver | Anschutz Medical Campus.

Please, if you have not already pledged or donated, consider even a small contribution. When combined, each dollar really counts in helping serve needs in our communities.

While the online pledge tool is no longer available, we are still accepting paper pledge forms with checks, charge or payroll deduction designations. If we receive your paper form for a payroll deduction pledge during this month or in February, the designated deduction will begin the month following the pledge. A blank pledge form that you can print is online.

To select an agency/agencies to receive your donation, find the corresponding four-digit code(s) in the agency list online.

Then send your paper pledge form to:
- Fax: 303-315-2726
- Email with form attached: MaryAnn.Hill@UCDenver.edu
- Campus Mail: Campus Box A005/130
- U.S. Mail: P.O. Box 173364, Campus Box A005/130, Denver, CO 80217-3364

What is the Colorado Combined Campaign (CCC)?

It's a workplace campaign that provides a way for Colorado government employees to donate to charities that benefit Coloradans. They can do so by payroll deduction, cash, check or credit card. Donations to the CCC are voluntary, confidential and tax-deductible.

**How to Contribute to the Campaign:** By pledge or a one-time gift pledge to the agency of your choice using payroll deduction or credit card payment(s)
