Thank you again to all of this year’s Colorado Combined Campaign (CCC) contributors.

While the online pledge tool is no longer available, we are still accepting paper pledge forms with checks, charge or payroll deduction designations. If we receive your paper form for a payroll deduction pledge during this month or in February, the designated deduction will begin the month following the pledge. A blank pledge form that you can print is online.

To select an agency/agencies to receive your donation, find the corresponding four-digit code(s) in the agency list online.

Then send your paper pledge form to:
- Email with form attached: MaryAnn.Hill@UCDenver.edu
- Campus Mail: Campus Box A005/130
- U.S. Mail: P.O. Box 173364, Campus Box A005/130, Denver, CO 80217-3364

Again, thank you for supporting the Colorado Combined Campaign!
