Well-Being Resources for CU Anschutz, UCH, CHCO and Health Systems

The resources below are being offered through the Department of Psychiatry and are available to all faculty (clinical or non-clinical), non-faculty healthcare providers, staff (clinical and non-clinical), students and trainees. We wish to recognize our collaborators in the provision of these services: the Department of Family Medicine, the College of Nursing, medical and nursing students, and our hospital/health system partners: UCH/UCHealth and CHCO.

  - Tuesdays and Fridays at Noon

- **Students, Residents, Fellows and Faculty on Clinical Rotation**
  - Mondays 7-8pm

- **Non-Clinical Faculty and Staff**
  - Mon at Noon and Thurs at 9am

We are Listening

- Please follow this link to our employee, staff, and faculty survey page. We want to hear more about how we can help.
- This survey will ask you to choose types of information you feel are most pressing to you surrounding COVID-19 so we can help you find the support that you need.

Team-Based Support Group Requests

If you are interested in setting up a support group specifically for your team, please fill out this survey to help us organize your event.
