

## Employment Verifications

The University of Colorado uses VerifyDirect® to fulfill requests to verify income and employment information. All standard requests for employment verifications for any employee, except for student employees and government requests such as child support, eligibility for food stamps and/or housing, should be directed to [www.verifydirect.com](http://www.verifydirect.com) or 1-866-894-7687. Contact the main HR office at 303-315-2711 for student employment verification and government requests.

Employees can access their information from VerifyDirect® online at anytime as follows:
