There were no **referrals for disciplinary action or judicial referral** for any liquor law violations, drug law violations or illegal weapons possessions for 2005, 2005 or 2007.

There were no **HATE CRIMES** reported in 2005, 2006 or 2007 in any of the previously listed categories, on this campus.

There are **NO residence halls** on this University of Colorado Denver (UCD) Campus. Thus, there is no category for "Residence Hall Crimes" included in this report.

The decline in the number of burglaries can be attributed to a decrease in population on the 9<sup>th</sup> Avenue Campus. Moves from the 9<sup>th</sup> Avenue Campus to new facilities at the AMC continue to occur as we transition to the UCD location in Aurora.

The Anschutz Medical Campus is now considered to be the “main” medical campus. Thus we have attached crime statistics from “satellite locations” to that report and no longer report them with the 9<sup>th</sup> Avenue Campus statistics.

The 9<sup>th</sup> Avenue & Colorado Boulevard campus of the UCD is located within the City and County of Denver. Statistics pertaining to public property were supplied by the Denver Police Department's Safety Office of Policy Analysis (S.O.P.A.). Statistics on public property (adjacent to and/or accessible from campus) crimes, are provided for the area bounded by Colorado Boulevard, 8<sup>th</sup> Avenue, Clermont Street and Hale Parkway, which compromise the perimeter of the campus. Also within this area is the Veteran’s Administration Hospital, who’s statistics are counted as “public property” statistics. Crime statistics for the City and County of Denver are available by calling the Denver Police Department, Office of the Deputy Chief, Media Relations Section, at (303) 640-3877.
