There were no **referrals for disciplinary action or judicial referral** for any liquor law violations, drug law violations or illegal weapons possessions on this campus for 2005, 2006 or 2007.

There were no **HATE CRIMES** reported in 2005, 2006 or 2007 in any of the previously listed categories.

There are **NO residence halls** on this University of Colorado Denver (UCD) Anschutz Medical Campus (AMC). Thus, there is no category for "Residence Hall Crimes" included in this report.

The rise in the number of burglaries can be attributed to an increased population on the AMC. Moves from the 9th Avenue Campus to new facilities at the AMC continue to occur as we transition to the UCD location in Aurora.

The Anschutz Medical Campus is now considered to be the “main” medical campus. Thus we have attached crime statistics from “satellite locations” to this report and no longer report them with the 9th Avenue Campus statistics.

The Anschutz Medical Campus of the UCD is located within the City Aurora. Statistics pertaining to public property, supplied by the Aurora Police Department's Office of Professional Standards, Research and Development cannot be broken down by public/private property adjacent to and/or accessible from campus. Crime statistics for the City of Aurora are available by calling the Aurora Police Department's Office of Professional Standards, Research and Development at 303-739-6295
