PURPOSE: This memorandum defines the policy HSC will use to strive to maintain a campus free of intimidating, threatening, or violent behavior.

APPLICABILITY: Faculty, Classified, Unclassified Employees, Students, and Visitors.

DISTRIBUTION: Vice Chancellors, Associate Vice Chancellors, Assistant Vice Chancellors, Department Chairs, Administrators and Supervisors

Purpose

The University of Colorado Health Sciences Center strives to maintain a campus free of intimidating, threatening, or violent behavior, including but not limited to, verbal and/or physical aggression, attack, threats, harassment, intimidation, or other disruptive behavior in any form or by any media, which causes or could cause a reasonable person to fear physical harm by an individual(s) or group(s) against any person(s) and/or property.

Policy

University employees, students, affiliates, and visitors who engage in prohibited behavior shall be held accountable under University policy and local, state, and federal law. Any employee or student who commits or threatens to commit prohibited behavior may be subject to disciplinary action, up to and including, dismissal or expulsion, as well as arrest and prosecution. Any visitor or affiliate who commits or threatens to commit prohibited behavior may be subject to exclusion from campus, arrest, prosecution, termination of his or her business relationship with the University, and/or any other appropriate action.
Prohibited Behaviors

No form of intimidating, threatening, or violent behavior will be tolerated. Such behavior includes, but is not limited to:

a. Intimidating behavior which includes language or action that unreasonably disrupts the work or learning environment, causes undue emotional distress to another, or creates a reasonable fear of injury to a person;

b. Threatening behavior which includes physical actions without physical contact or injury, and general or implied threats to people or property; and,

c. Violent behavior which includes any physical assault with or without weapons, throwing objects, destroying property, and specific or expressed threats to inflict harm to people or destruction of property.

Weapons

The possession, display, or use of any weapon, including any firearm, or the display or use of any object as a weapon, by any person other than a law enforcement officer in the course of his/her duty or by any person who has written permission from the Chief of Police or from the Chancellor after consultation with the Chief of Police, in any location where University business is conducted, is a violation of Regental Policy 14-I and is strictly prohibited. This policy applies even to individuals who are carrying a weapon pursuant to a valid concealed weapons permit; such a permit does not operate to remove an individual from the scope of this policy. Possession of a firearm or weapon on University owned, leased, or controlled property may be cause for immediate termination of employees, removal of visitors, expulsion of students, arrest and/or prosecution or any other action the University deems appropriate.
