

Course Menu Design

You can customize the look of your Course/Organization site by changing the menu design.

Step 1

Go to the **Control Panel** of your Course/Organization site.

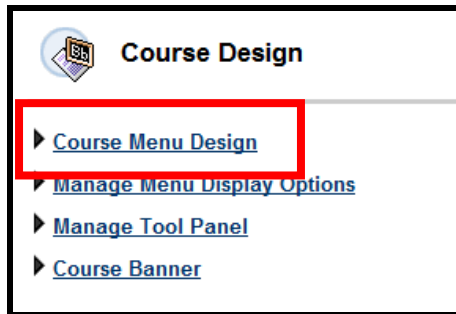

Step 2

Click **Course Design**

Step 3

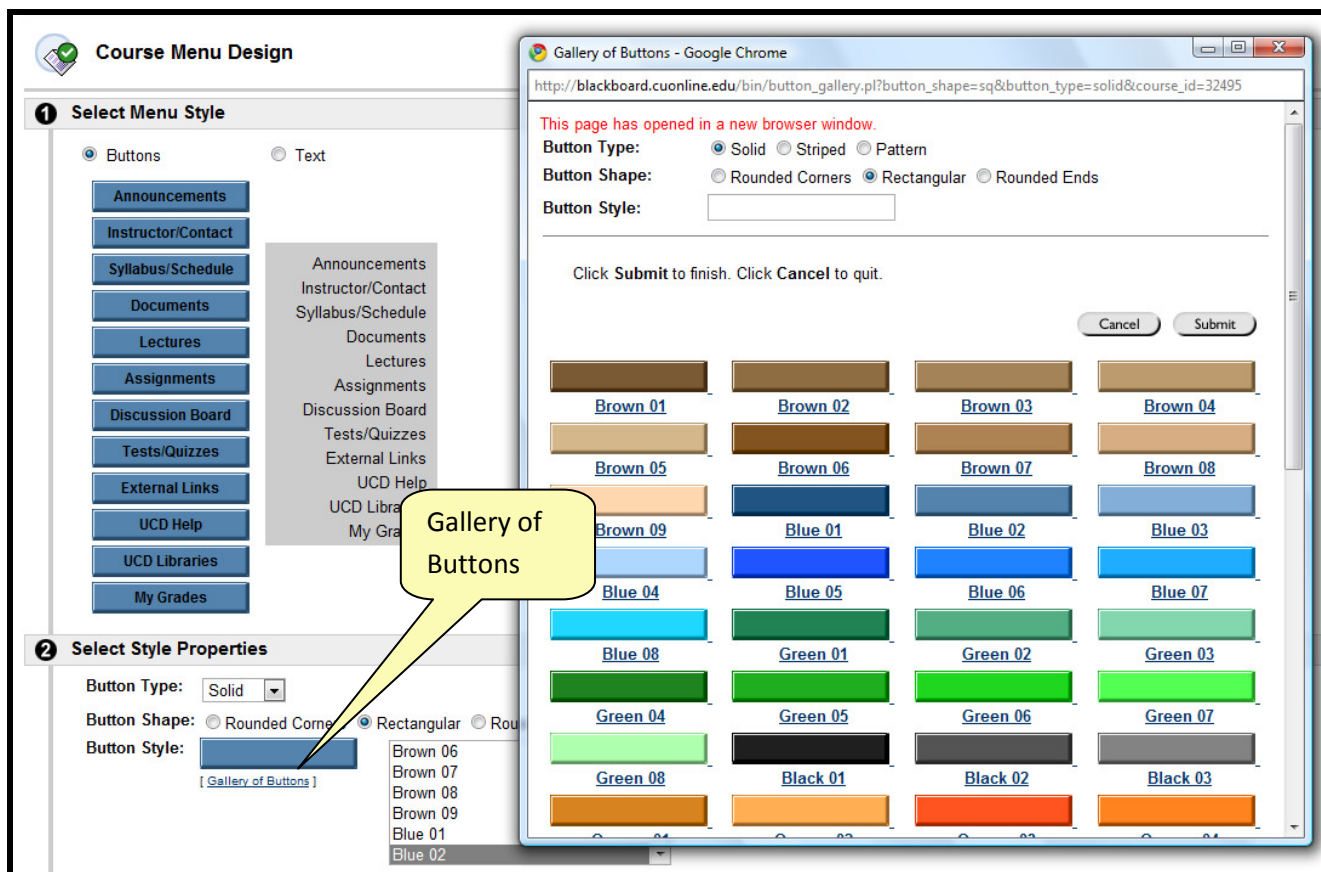

Next select **Course Menu Design**

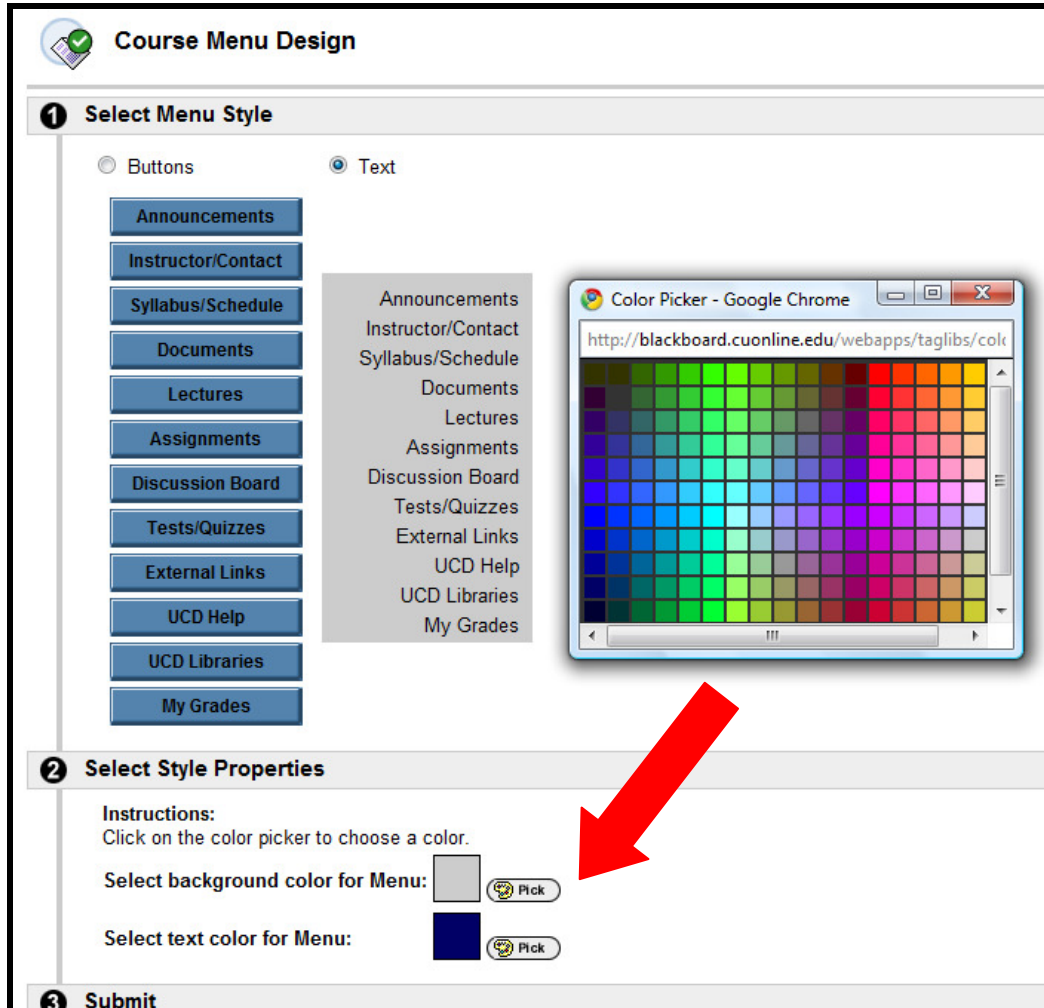

Step 4

You have the option to choose either **Buttons** or **Text**.

If you select buttons, you can decide on the Type, Shape and Style. Click on the **“Gallery of Buttons”** link to see all of the choices

If you select **Text**, you can change the background and text color of the menu. Click **Submit** to confirm your choice of selection.
