To celebrate having been together for 15 years, Pat Wheeler and Tom Chadwick (two Denver teachers) are planning to spend 13 days in France (from the 17th to the 29th of May) during the course of a trip to Europe. As an employee of the travel agency Voyages France, you are responsible for making plans in your town for the couple for three nights and two days. They will already have Eurail cards, so their budget of $550.00 Euros per leg of the journey will include:

- lodging (three nights)
- meals
- two activities per day (two days)
- all transportation (except rail travel)

Itinerary:

Group 1:
17 May: travel from Frankfurt, Germany to Strasbourg, France
18 May: Strasbourg
19 May: Strasbourg

Group 2:
20 May: travel from Strasbourg, France to Grenoble, France
21 May: Grenoble
22 May: Grenoble

Group 3:
23 May: Grenoble, France to Aix-en-Provence, France
24 May: Aix
25 May: Aix

Group 4:
26 May : Aix-en-Provence, France to Toulouse, France
27 May : Toulouse
28 May : Toulouse
29 May : Toulouse, France to Barcelona, Spain (leave Toulouse Matabiau at 14:34, arrive Barcelona Estacio de Franca at 19:59)

Using the Internet, you will make the following arrangements for the couple:

- schedule of travel (departures and arrivals) between cities (http://www.sncf.co.uk)
- transportation from train stations to hotels
- lodging (three nights) in town/ in the region
- 2 activities per day (2 days)
- Restaurants – lunch and dinner (2 days)
- Transportation to activities and restaurants (rental cars, busses, taxis, bicycles, etc.)

**For Monday, April 20:**
Having found the above information, you will make

a) a detailed itinerary (in the simple future) for the days the couple will spend in your town (for example, what will the couple do, and how will they get there? Where will they eat?) and their train schedule for getting to the next city, and

b) a Powerpoint slide show of 7 to 10 slides (including a city or regional map to show us where the couple is going)

Itinerary and slides to Dr. Willard in an email attachment (lori.willard@ucdenver.edu) before midnight.

**Wednesday, April 22:**
Each group will have a maximum of five minutes to present their portion of the itinerary to the class (Dr. Willard will already have assembled the Powerpoint slides); each member of the group must speak.
