Section Two:
Assessment of Narrative Report

DEFICIENCIES
Program Self-Assessment Procedures
The program has not provided any new information on how it is addressing this deficiency since the 2010 annual report. The 2010 report stated that the department was “developing . . . policies for teaching and service”; were these policies completed and implemented? Have any of the surveys/assessments mentioned in the report been implemented, and, if so, have any changes been made in response to the results? Have the surveys/assessments helped the program identify initiatives or curricular direction?

Studio Culture
Satisfied; no further reporting required.

Professional Degrees and Curriculum
No new information since 2010.

Accessibility
No new information since 2011. Have the changes made to address this deficiency resulted in student work that demonstrates ability in this SPC?

Structural Systems (60-credit-hours track)
The Bachelor of Environmental Design is no longer offered on the Boulder campus.

Technical Documentation
The program did not provide a response to this deficiency.

CAUSES OF CONCERN
Campus relationships
The Bachelor of Environmental Design is no longer offered on the Boulder campus.

Strategic Planning
The program did not provide a response to this concern.

Community Engagement
The program did not provide a response to this concern.

Facilities
The program did not provide a response to this concern.

CHANGES TO THE ACCREDITED PROGRAM
