Reflections on Your Service

Describe the service activities you have performed during this month, and some of the results you have seen: (For example: I tutored three elementary-aged children this month and have noticed that that they are completing and returning their homework more often.)

Answer:

What challenges have you experienced this month in your service, and what steps have you taken to resolve those challenges?

Answer:

Please provide testimonials (quotes or stories) from your service that illustrate your impact on the organization with which you serve or on the local community (if applicable):
