Conduct Agreement Form

The following requirements must be read and agreed upon by the camp participant and the participants’ parent(s)/guardian(s). You should have e-signed these in your online registration form. This is just a copy for your records.

1. The LYNX National Arts and Media Camp has a zero-tolerance policy for use and/or possession of alcohol, tobacco, marijuana, weapons, and other controlled substances and items. Possession and/or use of these substances and/or items will result in immediate expulsion from the program. Additionally, the police will be contacted if any illegal activity occurs. This includes underage alcohol use, marijuana use, and other illegal drug use.

2. Residential participants must be in their assigned rooms by 10:00pm each night. Residential participants are not to enter the rooms of other participants. LNYX Camp Staff will perform room checks. LYNX Camp Staff will always supervise residential participants when going to and from the residence halls.

3. Residential participants are expected to participate in all events and activities unless prior approval to miss a part of the camp has been granted by LYNX Camp administration. We will allow participants to miss events for religious and/or ability reasons. Please have a parent or guardian notify us in advance if you need to miss any part of the camp.

4. Commuter participants are not required to attend any camp events outside of Monday-Friday academic instruction from 9:00 am – 4:30 pm. Commuter participants must be at class by 9:00 am each morning or notify the LYNX Camp administrator to let us know that you are running late. Commuter students are not allowed at the residential accommodations. Commuter students may attend evening and weekend camp events (such as guest speakers, concerts, or tours) if accompanied by a parent or guardian. For evening and weekend field trips, we will not have space for commuter students on our buses. With parent and LYNX Camp administration approval, commuter students are welcome to meet us at field trip sites.

5. Participants are not to leave the scheduled activities on their own. When in transit, participants and staff will travel as a group. This includes walking to meals, field trips, etc. Participants and parents/guardians should understand that CU Denver is an urban, university campus environment and not a K-12 environment.

6. Cell phones must be put away during classes, events, lectures, activities, and workshops unless they are being used under staff supervision as part of the assigned activity.

7. Participants will be held responsible if they cause any damage to CU Denver property.

8. The LYNX camp promotes equality and respect among all faculty, staff, and participants. We do not tolerate harassment or bullying of any kind. In the case of reported harassment or bullying, participants involved will be interviewed, which may result in parents being contacted and expulsion from the program if necessary. If a participant feels that they are being harassed or bullied, they should immediately report this to a LYNX Camp staff member.
3 Strikes Policy for Minor Rule Violations

1. The following student behaviors will result in a written violation notice and a meeting with one of the LYNX Camp staff members to discuss the inappropriate behavior:

   ● Being late twice to a class or activity without contacting a LYNX Camp staff member.
   ● Using a cell phone in class (unless approved by the instructor).
   ● Being late for in-room time.
   ● Being out of your room between the hours of 10:00 pm and 7:00 am without permission from a staff member.
   ● Having lights on after lights-out time.
   ● Not wearing a lanyard and nametag during class periods, field trips, or other camp activities when LYNX Camp staff members have requested that students wear nametags or appropriate camp identification.
   ● Leaving a class, activity, or dining hall without permission from a staff member.
   ● Littering anywhere on campus or not cleaning up after oneself at the cafeteria.
   ● In general, not following the instruction of a LYNX Camp staff member. If a LYNX Camp staff member asks a student to follow a camp rule, the student is expected to do so without argument about the merit of the policy. The appropriate time to speak about the merits of our policies is before the camp starts or after the camp is over. If a student strongly disagrees with a policy during the camp, the student should contact their parent/guardian and have the parent/guardian contact LYNX Camp administration.

2. If the behavior happens again after the written violation warning, the student will receive another violation notice and the student’s parent will be notified.

3. If the student commits another rule violation after the parents were notified, the student will be removed from the camp.

Immediate Expulsion from the LYNX Camp for Major Rule Violations

The following rule violations could result in immediate removal from the LYNX Camp:

● Any possession, distribution, or use of illegal substances. Illegal substances include alcohol and marijuana, as both are illegal in Colorado (and nationally) for anyone under the age of 21. The police will be contacted if illegal substances are used or found.
● Being in another student’s room. Students are not to be in any other student’s room without permission from a staff member.
● Skipping a class or activity without letting any staff member know where you are.
● Purposefully causing damage to any structure on campus, at the residence halls, or when on tours or field trips.
● Threatening harassment, or substantial bullying of a student, staff member, or anyone else associated with the LYNX Camp.
● Possession of any sort of weapons or making verbal threats involving weapons.
● Behavior that jeopardizes the physical safety of oneself or others. (This includes cutting, refusal to eat or drink, and other self-harm behaviors).

If one of these rules is violated a student will be removed immediately. The decision to remove the student from the camp will be made by the LYNX Camp Director.

Students will need to be signed in and out each day of camp, unless a parent gives us permission to allow the student to sign themselves out. This can be done when doing registration online or the first day of camp via written note. Parking fees will not be provided on Tuesday, Wednesday or Thursday. The Parking Code found above is available for Monday & Friday.

Students will not be provided any meals and will be done with each day at 4:30pm.

Families will be provided information about drop-off and pick-up for specific programs during the opening session Monday, June 11, from 9:00-10:00 AM.

*Per Campus Policy, no minor is allowed to be on campus without being accompanied by an adult at any time.*
FAQs

Do parents have to attend the closing concert or student showcase on the last day of the camp?

● No, while it’s great when family members are able to attend the closing day events, we understand that this may be difficult for some families. We plan to video and/or take pictures of the event to share with families.

What LYNX Camp items will students receive when they check in at the camp?

● All students will receive a LYNX Camp t-shirt, water bottle and lanyard, on the first day of the camp.

Can friends and family attend LYNX Camp events?

● Families are encouraged to attend the Student Showcase on the last day of camp. Students are welcome to leave with their family after these events.

Can I explore Auraria Campus and Downtown Denver on my own?

● No, it is campus policy that minors participating in university programs are not to walk around campus on their own. We have plenty of planned events and outings that will allow you to see the campus and all that Denver has to offer.
