Conduct Agreement Form

The following requirements must be read and agreed upon by the camp participant and the participants’ parent(s)/guardian(s). You should have e-signed these in your online registration form. This is just a copy for your records.

1. The LYNX National Arts and Media Camp has a zero-tolerance policy for use and/or possession of alcohol, tobacco, marijuana, weapons, and other controlled substances and items. Possession and/or use of these substances and/or items will result in immediate expulsion from the program. Additionally, the police will be contacted if any illegal activity occurs. This includes underage alcohol use, marijuana use, and other illegal drug use.

2. Residential participants must be in their assigned rooms by 10:00pm each night. Residential participants are not to enter the rooms of other participants. LNYX Camp Staff will perform room checks. LYNX Camp Staff will always supervise residential participants when going to and from the residence halls.

3. Residential participants are expected to participate in all events and activities unless prior approval to miss a part of the camp has been granted by LYNX Camp administration. We will allow participants to miss events for religious and/or ability reasons. Please have a parent or guardian notify us in advance if you need to miss any part of the camp.

4. Commuter participants are not required to attend any camp events outside of Monday-Friday academic instruction from 9:00 am – 4:30 pm. Commuter participants must be at class by 9:00 am each morning or notify the LYNX Camp administrator to let us know that you are running late. Commuter students are not allowed at the residential accommodations. Commuter students may attend evening and weekend camp events (such as guest speakers, concerts, or tours) if accompanied by a parent or guardian. For evening and weekend field trips, we will not have space for commuter students on our buses. With parent and LYNX Camp administration approval, commuter students are welcome to meet us at field trip sites.

5. Participants are not to leave the scheduled activities on their own. When in transit, participants and staff will travel as a group. This includes walking to meals, field trips, etc. Participants and parents/guardians should understand that CU Denver is an urban, university campus environment and not a K-12 environment.

6. Cell phones must be put away during classes, events, lectures, activities, and workshops unless they are being used under staff supervision as part of the assigned activity.

7. Participants will be held responsible if they cause any damage to CU Denver property.

8. The LYNX camp promotes equality and respect among all faculty, staff, and participants. We do not tolerate harassment or bullying of any kind. In the case of reported harassment or bullying, participants involved will be interviewed, which may result in parents being contacted and expulsion from the program if necessary. If a participant feels that they are being harassed or bullied, they should immediately report this to a LYNX Camp staff member.
3 Strikes Policy for Minor Rule Violations

1. The following student behaviors will result in a written violation notice and a meeting with one of the LYNX Camp staff members to discuss the inappropriate behavior:

   ● Being late twice to a class or activity without contacting a LYNX Camp staff member.
   ● Using a cell phone in class (unless approved by the instructor).
   ● Being late for in-room time.
   ● Being out of your room between the hours of 10:00 pm and 7:00 am without permission from a staff member.
   ● Having lights on after lights-out time.
   ● Not wearing a lanyard and nametag during class periods, field trips, or other camp activities when LYNX Camp staff members have requested that students wear nametags or appropriate camp identification.
   ● Leaving a class, activity, or dining hall without permission from a staff member.
   ● Littering anywhere on campus or not cleaning up after oneself at the cafeteria.
   ● In general, not following the instruction of a LYNX Camp staff member. If a LYNX Camp staff member asks a student to follow a camp rule, the student is expected to do so without argument about the merit of the policy. The appropriate time to speak about the merits of our policies is before the camp starts or after the camp is over. If a student strongly disagrees with a policy during the camp, the student should contact their parent/guardian and have the parent/guardian contact LYNX Camp administration.

2. If the behavior happens again after the written violation warning, the student will receive another violation notice and the student’s parent will be notified.

3. If the student commits another rule violation after the parents were notified, the student will be removed from the camp.

Immediate Expulsion from the LYNX Camp for Major Rule Violations

The following rule violations could result in immediate removal from the LYNX Camp:

   ● Any possession, distribution, or use of illegal substances. Illegal substances include alcohol and marijuana, as both are illegal in Colorado (and nationally) for anyone under the age of 21. The police will be contacted if illegal substances are used or found.
   ● Being in another student’s room. Students are not to be in any other student’s room without permission from a staff member.
   ● Skipping a class or activity without letting any staff member know where you are.
   ● Purposefully causing damage to any structure on campus, at the residence halls, or when on tours or field trips.
   ● Threatening harassment, or substantial bullying of a student, staff member, or anyone else associated with the LYNX Camp.
   ● Possession of any sort of weapons or making verbal threats involving weapons.
   ● Behavior that jeopardizes the physical safety of oneself or others. (This includes cutting, refusal to eat or drink, and other self-harm behaviors).

If one of these rules is violated a student will be removed immediately. The decision to remove the student from the camp will be made by the LYNX Camp Director.
Please be sure to be prepared for each day of camp. There will be limited access to stores to get supplies so make sure to bring what you will need for the 2 weeks on the first day of camp.

Out of State Students

While we aren't able to offer funding to help out-of-state students with travel expenses, we can help you to plan the logistics of your travel. Check-in will begin at 1:00 on the first Sunday of the camps. We recommend that students arrive on campus by 3:00 pm at the latest to ensure enough time for check-in before the Opening Meeting and to attend Pre Sessions. The Opening Meeting of the camp will take place at the King Center Recital Hall from 4:45-6:00 pm. Camp ends on the last Friday of the camps around 5:00pm. Flights should be scheduled accordingly. Out of state students traveling alone have the option of staying overnight on the last Friday and depart on Saturday morning.

We can help arrange transportation to and from the Denver airport. Our LYNX Staff will meet students at the airport and accompany them to campus in groups. They will take the Denver lightrail to campus from the airport. The A-Line runs from DIA to downtown Denver with stops near the Auraria Campus. Lightrail tickets can be purchased in advance or at the airport. We will have a LYNX Camp staff member at the airport (DIA) on the first day of the camp when most of our students are arriving to greet students, so look for the LYNX sign and leader when you get out of the terminal. Other options to get to campus are SuperShuttle, ride sharing services (Lyft and Uber), and cabs. If you have not already provided us with your flight information, please let us know your flight info as soon as possible.

Commuter Students

You will need to be signed in and out each day of camp unless your parent gives us permission to sign yourself out. This can be done when doing your registration online or the first day of camp via written note. Parking fees will not be provided during days of camp. Commuter students will not be provided any meals and will be done with each day at 4:50pm. If a commuter student wishes to participate in an evening activity, an adult must accompany them. Commuter students will not be able to participate in weekend activities. If a student wishes to change from Commuter to Commuter Plus to participate in weekend/ evening activities, please let us know as soon as possible.

Commuter Plus Students

You will need to be signed in and out each day of camp unless your parent gives us permission to sign yourself out. This can be done when doing your registration online or the first day of camp via written note. Parking fees will not be provided during days of camp. Commuter Plus students will only be provided with Dinner and will be done with each day at 8pm. If a Commuter Plus student wishes to not participate in an evening activity, we will need a written (or email) note confirming the date they will be missing. Commuter Plus students are required to participate in weekend activities unless a parent excuses them via written or emailed note.

*Per Campus Policy: No student is allowed to be on campus without being accompanied by an adult at any time.*
FAQs

Do parents have to attend the closing student showcase on the last day of the camp?
  ● No, while it’s great when family members are able to attend the closing day events, we understand that this may be difficult for some families. We plan to video and/or take pictures of the event to share with families.

What LYNX Camp items will students receive when they check in at the camp?
  ● All students will receive a LYNX Camp t-shirt, water bottle and lanyard, on the first day of the camp.

If I have a special diet and/or food allergies, will your camp be able to accommodate me?
  ● Yes, we most likely will be able to accommodate students with special diets and/or food allergies. If you are a commuter student, you will get to choose what you eat for lunch at the Tivoli Food Court and there are many options (Subway, Asian food, salad/wraps, pizza, McDonald’s, and Starbucks). Our residential students will eat breakfast and dinner at the Hilton Garden Inn. We have made arrangements to have plenty of food options for vegetarians and vegans. Please contact us if you have special dietary issues that you would like us to be aware of for the camp.

Can friends and family attend LYNX Camp events?
  ● We welcome families to attend any of our evening guest artist events. Families and friends are encouraged to attend the Closing Day Student Showcase on the last day of camp. These are special events for the students. Students are welcome to leave with their family after the Student Showcase.

Can I explore Auraria Campus and Downtown Denver on my own?
  ● No, it is campus policy that minors participating in university programs are not to walk around campus on their own. We have plenty of planned events and outings that will allow you to see the campus and all that Denver has to offer.

Who will my roommate be?
  ● We try to match roommates based on gender and year in school. There will be many opportunities to bond with other camp participants during your two weeks here as well.
