

**Department of Visual Arts**  
**Minor in Digital Design**  
**Effective: 2011-2012 Academic Year**

**The Digital Design minor is competitive. Students must successfully pass a portfolio review process during Fall semester before taking any of the upper division (3000/4000 level) Digital Design courses.** All courses for the minor must be taken at the University of Colorado Denver unless approved otherwise by the Digital Design faculty advisor. Each course must be completed with a C/2.0 or better. Students pursuing a BA in Fine Arts (Art History emphasis) may use up to 9 semester credits toward both major and minor requirements; the remaining semester credits for the minor must be taken in addition to the major requirements. Students pursuing a major in Fine Arts with an emphasis in any of the studio arts may not pursue this minor. Consult a College of Arts & Media advisor ([CAMadvising@ucdenver.edu](mailto:CAMadvising@ucdenver.edu)) for further details.
