2. Students seeking undergraduate admission to Music programs must apply to the University of Colorado Denver by the established departmental deadline, pay the application fee, and submit all applicable transcripts and test scores to the CU Denver Admissions Office. Information can be found at http://www.ucdenver.edu/admissions. Please contact the Office of Admissions at (303) 556-2704 with any questions regarding the application. It is advisable to plan well ahead of the deadline so that transcripts and/or test scores can be received and evaluated by University of Colorado Denver's Admissions Office.    a. Applications for the Music program are considered for the Fall semester only. The College of Arts & Media will not admit any freshman or transfer Music Majors in the Spring or Summer semesters.
   b. Students who are enrolled in courses at any University of Colorado campus during the Spring semester of which they are applying and are admitted to MEIS for the Fall will be accepted on a conditional basis pending the Spring semester’s grades. Any such student who is placed on academic probation (earning a cumulative University of Colorado GPA below a 2.0) after the Spring semester will have their MEIS acceptance revoked. Students are welcome to re-apply for admission once they have raised their cumulative University of Colorado GPA to 2.0 (current application requirements will apply).

3. As part of seeking admission to undergraduate Music programs, all students are required to complete a Music Aptitude Exam (the AMMA Exam) by the established departmental deadline. Students must register for the exam online at: http://www.ucdenver.edu/academics/colleges/CAM/programs/meis/Pages/AMMAEntranceExam.aspx

4. Also by the application deadline, all students seeking admission to Music programs are required either to audition on their primary instrument or complete a Non-Audition Application Form, depending on their emphasis:

The MEIS Department reserves the right to require prerequisite courses where deficiencies are noted. Preliminary advising regarding transfer credits is unofficial pending official transcript evaluation by the Office of Admissions.

5. Any student who does not maintain the minimum academic standards set by the University (overall CU GPA of 2.00) will be placed on academic probation. Please see the current University of Colorado Denver Catalog for more information regarding academic probation and scholastic suspension.

F. Incomplete Grades

1. The grade of Incomplete (I) is a temporary suspension of a letter grade. An incomplete grade is assigned only when a student has completed at least 75% of the course with a passing grade but is unable to complete all the necessary requirements because extenuating circumstances exist and are verified by the student to the instructor and Associate Dean's satisfaction. Circumstances must be clearly beyond the student's control and have made completion of the course impossible; for example, an illness or death in the family. An incomplete must be approved by both the instructor and the College of Arts & Media Associate Dean.

2. In order to request an incomplete grade:
   a. The student must submit a “Course Completion Agreement” to the CAM Advising Office in Arts Building 177 no later than the date that final grades are due (for the semester in which the course was taken). Students are responsible for obtaining the instructor’s signature. Blank Course Completion Agreement forms can be obtained from Arts Building 177.
   b. The course requirements must be completed within one academic year. When the course requirements are completed, the incomplete grade will be changed to the letter grade earned. If the course requirements are not completed within one academic year, the grade of I will convert to an F. Incomplete grades will not be changed after the one-year time period has elapsed.

3. In order to appear on the College of Arts & Media graduation lists, a student must complete I’s before the last day of classes in the semester in which the student intends to graduate.

G. Pass/Fail Option

1. Up to 12 semester hours of course work may be taken on a Pass/Fail basis. Students must consult with a College of Arts & Media Academic Advisor for information regarding the courses that may be taken on a Pass/Fail basis and still count towards graduation.

2. Courses required in the major cannot be taken Pass/Fail (with the exception of PMUS 1500 General Recital and PMUS 4200 Senior Recital Project).

3. Only 6 hours of course work can be taken Pass/Fail in any given semester.

H. Residence Requirements

A student must earn at least 30 credit hours in residence while enrolled as a degree student at University of Colorado Denver.
I. Withdrawal from the University
