The DPL's Western History and Genealogy Department houses two of the most significant collections representing the Chicano movement of the 1960s and 70s: the papers of Rodolfo "Corky" Gonzales and Bernard "Bernie" Valdez.
These towering figures in the struggle for Mexican-American rights embody the 2015 National History Day theme, Leadership and Legacy. The Valdez-Perry branch library and the soon-to-be-opened Gonzales branch library stand as monuments to Bernie and Corky, respectively.
