- Embed credit for the session
  - Helps create better student engagement
    - Point system / Extra credit
    - Penalty System / Lowering grade by one step (A to A-, etc.)
    - Encourage multiple visits by offering added incentives
- Require sessions post-comments/grades
  - Assist with revision
  - Address persistent issues

Suggestions Regarding the Writing Center:
- Schedule an informational class visit from the Center
- Complete the Class Visit Request Form
- Email the Center (Writing.Center@ucdenver.edu) with the assignment description and stress to students that they need to bring it with them to their appointments
  - Allows time to prep Consultants
  - Allows time to address questions about the assignment
- Consider emailing the Center a sample paper
- Please ALWAYS email or call the Center if you plan to recommend that students visit for help with an exam of any sort. We maintain an ongoing list of these permissions and won’t help students without prior instructor permission.
