

Department of Bioengineering  
UNIVERSITY OF COLORADO DENVER | ANSCHUTZ MEDICAL CAMPUS

# FALL SEMINAR SERIES

Speaker

**CHRISTOPHER  
YAKACKI, PHD**

Assistant Professor,  
Department of Mechanical  
Engineering, University of  
Colorado Denver | Anschutz

Discussing

**SHAPE-SHIFTING AND  
DISSIPATING LIQUID-CRYSTALLINE  
ELASTOMERS FOR BIOMEDICAL  
APPLICATIONS**

When

**OCTOBER 6, 2017**

12:30 PM-1:30 PM

Where

**BIOSCIENCE 2 CLASSROOM**

12705 E. Montview Blvd.  
First Floor, Y18-1008

**KAMBEZ BENAM, PHD**

*Assistant Professor  
Div. of Pulmonary Sciences &  
Critical Care Medicine, School of  
Medicine, University of Colorado  
Anschutz*

**September 1, 2017**

**JEFF SQUIER, PHD**

*Professor, Dept. Head Colorado  
School of Mines Dept. of Physics*

**September 22, 2017**

**CHRISTOPHER YAKACKI, PHD**

*Assistant Professor | University of  
Colorado Denver Dept. of  
Mechanical Engineering*

**October 6, 2017**

**JOHNNY HUARD, PHD**

*Professor, Vice Chair for  
Research | Dept. of Orthopedic  
Surgery, McGovern Medical  
School, University of Texas*

**October 26, 2017**

**KEITH NEEVES, PHD**

*Associate Professor | Colorado  
School of Mines | Dept. of  
Chemical & Biological  
Engineering*

**November 10, 2017**
