Improving Worker Safety and Health Among American Indians and Alaska Native Workforce:
A Partnership Workshop

Please join CDC on August 17-18, 2015 in Aurora, Colorado for the Worker Safety and Health and Tribal Health and Wellbeing Workshop: Bringing Together American Indian and Alaska Native Workforce and Community Health Centers. The workshop will feature presentations from experts in worker safety and health, tribal health, and community health center leadership. Attendees will have the opportunity to learn about best practices and strategies for improving worker safety and health in American Indian and Alaska Native communities.

WHO SHOULD ATTEND?

- Tribal health and safety leaders
- Community health center leaders
- Workers and their advocates
- Federal, state, and local government officials
- Researchers

See the event agenda for additional details.
