1. Purpose of Handbook

This handbook is designed to facilitate a student’s progress toward the Bachelor of Arts in Criminal Justice (BACJ). The School of Public Affairs (SPA) and the University of Colorado have specific rules and regulations for the BACJ program which must be followed in order to obtain the degree. This handbook explains SPA policies and procedures, which are subject to change and can be affected by changes in the policies of the University of Colorado. University-wide policies have priority over the policies of SPA. Students with questions concerning certain policies or procedures should consult their Academic or Faculty Advisor, the BACJ Director, the Associate Dean, or the Dean.

2. Bachelor of Arts in Criminal Justice Program Description

Criminal justice began as an area of concentration in SPA’s Master of Public Administration program in 1974. The Master of Criminal Justice program was established in 1980 as a separate degree program within SPA upon recommendation of the University of Colorado Board of Regents and approval by the Colorado Commission on Higher Education.

The School of Public Affairs introduced the Bachelor of Arts in Criminal Justice in the fall 2007 semester. The program was developed in order to meet the demand for criminal justice professionals. According to the United States Department of Labor, the need for various criminal justice professionals in Colorado was projected to increase by an average of 33% from 2002 to 2012.

Criminal justice graduates go on to a wide variety of careers that cross the spectrum of public, nonprofit, and private agencies including: Colorado Bureau of Investigation; Victim Advocacy; Division of Criminal Justice – Research, Evaluation, Management, or Grant Writing; Corrections – Management; Juvenile Justice – Case Manager, Group Leader, or Counselor; Federal Agencies – DEA, ATF, FBI, Homeland Security and Secret Service; Policing – Statistical Analysis, Communications, Crime Mapping or as a sworn Officer (with the additional POST certification); Corporate or Private Security.

Criminal justice also provides a solid base from which to apply to law school and graduate programs in Sociology, Criminology, or Public Administration.

2.1 School of Public Affairs

The School of Public Affairs offers and administers four degrees: the Bachelor of Arts in Criminal Justice, the Master of Criminal Justice, the Master of Public Administration, and the Doctor of Philosophy in Public Affairs. The principle functions of the School are to provide programs of professional education, training, and service for the public and nonprofit sectors and to undertake research on issues of concern to federal, state, and local governments. SPA provides an opportunity for students to enhance their management, administrative, policy, research, and analytic skills.
2.2 Program Mission
The mission of the BACJ program is:
(a) To provide an intellectually stimulating academic and professional environment in which students and faculty may grow and develop to their full potential;
(b) To educate students who are preparing for or pursuing a career in criminal justice, offering realistic preparation for practical success in the workplace, and facilitating the development of skills and capabilities necessary to become a catalyst within the profession so as to enhance the viability and growth of the discipline in an ethical and just manner
(c) To make continuing significant contributions to knowledge and excellence of practice in the fields of criminal justice and allied Social and behavioral sciences through teaching, research, dissemination of knowledge to the public, and direct service to local, state and national constituent communities and criminal justice agencies.

2.3 Curriculum Objectives
The BACJ program offers a liberal arts basis and was designed to meet the certification standards established by the American Criminal Justice Association. Upon completion of the program, students will:

(a) be able to draw on multiple disciplines and research traditions to identify and understand the Social and behavioral contributors to crime and delinquency;
(b) have a comprehensive understanding of the institutions in the criminal justice system and how politics and policy making affect these institutions;
(c) have effective critical thinking and oral and written communication skills;
(d) have a comprehensive knowledge of the ethical concerns of the criminal justice field;
(e) understand how perceptions of the criminal justice system vary cross-culturally, and how such differences influence policy and public perception;
(f) understand the impact and interplay of public policy on the trends, solutions, and research in the field;
(g) have acquired the skills to engage in effective written and oral communication;
(h) have demonstrated honed interpersonal and leadership skills;
(i) have developed a basis for the skills necessary to perform information analysis; engage in critical thinking, problem solving, and evaluation.

2.4 BACJ Administration
The BACJ program is administered by SPA. The School has its own internal procedures and requirements for the BACJ degree. Forms and information are available from the SPA office. Completed forms should be returned there. The BACJ Director is the key administrative officer for the program. The Director chairs the CJ Committee, which recommends overall CJ policies, and serves as the central contact for matters regarding program policies.
3. ADMISSIONS

3.1 Freshmen
Freshmen admitted to UCD may declare their major directly to the School of Public Affairs BACJ program. Applicants need to be high school graduates or have earned a High School Equivalency Certificate (GED).

Admission is based on several factors. The most important factors are grade point average, high school rank, scores on the ACT or SAT, and previous coursework. GED applicants are considered on the basis of their GED scores, ACT or SAT scores, and any completed high school credits.

The online application for admission and additional application instructions are listed on the Office of Admissions webpage: www.ucdenver.edu/Admissions.

3.2 Transfer Students
Any student who has completed college coursework after graduation from high school is considered a transfer student for admission purposes. Students who have completed college courses while still enrolled in high school are considered as entering freshmen.

Students who have completed less than 13 semester credits at the time of application are considered for admission based upon their high school grade point average, rigor of coursework completed, rank in class, ACT or SAT scores, and college grade point average.

Students who have completed between 13 and 23 semester credits of college level coursework at the time of application are considered for admission based primarily on performance in their college courses, but high school transcripts are still required and must be submitted at the time of application.

Students who have completed more than 24 semester credit hours of college level coursework at the time of application are considered for admission based on college level coursework alone. High school records and test scores (ACT or SAT) are not required.

The online application for admission and additional application instructions are listed on the Office of Admissions webpage: www.ucdenver.edu/admissions/bachelors/transfer/.

3.3 Change of Major
Students can apply to the School of Public Affairs from another school or college at UCD. Students interested in applying for admission need to meet with the BACJ Advisor and submit the Intra-University Transfer (IUT) form. The IUT form can be obtained through the Office of the Registrar or the School of Public Affairs’ BACJ Academic Advisor.
Students must be a current UCD undergraduate with a minimum of a 2.0 cumulative grade point average. Students in their first semester at UCD who do not yet have a GPA may not be guaranteed transfer until after completion of their first semester. Contact the School of Public Affairs, 330-315-2228, or the Office of the Registrar, 303-556-2389, with questions on the process.

3.4 Non-Degree Admission

Non-Degree admission is a status designated for students seeking to enroll without the intentions of pursuing a degree. These students include working adults pursuing professional development credits, students who need to fulfill prerequisites for other programs, or those looking to transfer academic credit to a different institution altogether.

Parameters surrounding admission as a non-degree student are:

- Students who have been previously admitted or refused admission as a degree-seeking student at UC Denver are not eligible to attend as non-degree students. Exception: if the student was admitted and subsequently graduated from UC Denver, they are now eligible to take classes as a non-degree student.
- You must be age 20 or older to apply as a non-degree student for the Fall or Spring semester.
- Students not eligible to return to institutions they previously attended OR who have less than a 2.0 cumulative grade-point average are not eligible for admission as a non-degree student at UC Denver.
- Application processing takes approximately 48 hours. You will receive notification by mail.
- If you choose to attend UCD as a non-degree student and subsequently apply to attend as an undergraduate degree seeking student (transfer), you will be required to submit an official copy of your high school transcript and ACT or SAT scores. This is required regardless of your age or the number of college credits you have earned.

Applications and additional information for Non-Degree Applicants can be found on the Office of Admissions webpage: [www.ucdenver.edu/Admissions/Non-Degree](http://www.ucdenver.edu/Admissions/Non-Degree), or at the School of Public Affairs webpage: [www.ucdenver.edu/Academics/Colleges/SPA](http://www.ucdenver.edu/Academics/Colleges/SPA).

3.4.1 Non-Degree Admission Financial Concerns

Non-degree students are not eligible for financial aid, most scholarships, or tuition assistance. Please refer to the Schedule of Courses for payment deadlines. Non-degree students who have previously earned a baccalaureate degree are classified as graduate students and assessed graduate tuition regardless of the level of the class(es) they are taking. However, if students are taking undergraduate courses ONLY, they may be assessed undergraduate tuition. Students must contact the Office of Records and Registration at 303-556-2389 to request this special tuition rate.
3.5 Admission Deadlines

Admission to the BACJ program is made on a semester basis. Application deadlines for priority consideration are as follows:

- **Fall Semester**: July 22nd
- **Spring Semester**: December 1st
- **Summer Session**: May 1st

All application materials should be received by these deadlines. Applications may be considered by the BACJ committee at any time, which means that files are reviewed as soon as they are complete and students are notified by letter as soon as admission is granted by the University of Colorado Denver and the School of Public Affairs.

3.6 Readmission of Former and Suspended Students

University of Colorado students who have not registered and attended classes at UCD for one year or longer and who have not attended another institution since last attending UCD are considered returning students and must formally apply for readmission. An additional application fee is required only if you are changing from undergraduate to graduate or non-degree to degree status.

You may obtain the application materials online at: [http://www.ucdenver.edu/Admissions/Bachelors/Pages/Former.aspx](http://www.ucdenver.edu/Admissions/Bachelors/Pages/Former.aspx)

Students who have been suspended from the University and wish to re-apply must submit a Petition for Re-admission to the School of Public Affairs. For information about the process and the petition form, contact the BACJ Academic Advisor.

Students who have attended another college or university since last attending the University of Colorado must apply as a transfer student and meet the transfer student admission criteria. This requires payment of the $50.00 (subject to change) non-refundable application fee and submission of two official transcripts from all colleges and universities previously attended.

Transcripts must be sent directly from the issuing institution to:

Office of Admission  
University of Colorado Denver  
Campus Box 167  
P.O. Box 173364  
Denver, Colorado 80217-3364
4. BACJ DEGREE REQUIREMENTS

4.1 Course Load
The normal course load for a full-time student is 12-15 semester credit hours per fall or spring semester. A full-time student for the summer semester is 6-9 semester credit hours.

The normal course load for a half-time student is 9 credit hours for fall and spring semester and 3 credits for summer semester.

4.2 BACJ Credit Hour Requirements
Students completing a BACJ at the University of Colorado Denver will complete a minimum of 120 credit hours. The general degree requirements are:

- 120 total semester credit hours passed
- 36-38 semester credit hours in UCD general education core curriculum
- 46-48 semester credit hours in general electives (which may include an optional 15-21 credit hours for a degree minor).
- Minimum 45 semester hours of upper-division course work (3000 and above)
- Minimum of 30 hours of resident credit; 21 out of the last 30 hours in resident course work
- Minimum of 2.0 CU cumulative grade point average
- Fulfillment of all college and major requirements

4.3 UCD General Education Core Requirements
The General Education Core Requirements for UCD students provides BACJ students with a broad general education competencies based on a liberal arts foundation. At the same time the core requirements allow students flexibility based on their individual backgrounds and specific educational and career goals.

The core curriculum requires 9-10 semester credit hours of Intellectual Competencies and 27-29 semester credit hours in defined Knowledge Areas.

4.4 Core Intellectual Competencies
All BACJ students must complete ENGL 1020 Core Composition I, ENGL 2030 Core Composition II, and one 3-4 credit semester credit hour math course from the approved list. See section on the Math Placement Exam for information related to math course options and eligibility.

BACJ students should consult with their Academic Advisor, the UCD Catalog, or the Comprehensive Degree Outline provided on the SPA website for a list of acceptable math courses. It is recommended, however, that all BACJ students complete MATH 1110 College Algebra to satisfy the core math requirement.

Intellectual Core Competency courses must be satisfied with a minimum grade of a C-. Pass/Fail grading is not an option for the Core Intellectual Competencies.
4.5 Core Knowledge Areas
All BACJ students must satisfy 7 knowledge areas as defined by the UCD General Education Core Requirements. The 7 knowledge areas and semester credit hours required in each area are:

1. Natural & Physical Sciences, Math: 7-8 semester credit hours which must include one lab physical or biological science course. **Students cannot apply one math course to both the Core Intellectual Competency and the Knowledge area,**
2. Behavioral Sciences: 3 semester credit hours,
3. Social Sciences: 9 semester credit hours***,
4. Arts: 3 semester credit hours,
5. Humanities: 3 semester credit hours,
6. Cultural Diversity: 3 semester credit hours,
7. International Perspectives: 3 semester credit hours

**BACJ students may count both SOCY 1001 Introduction to Sociology and CRJU 1000 Criminal Justice: An Overview towards the Social Sciences Core requirement and the Criminal Justice major**

BACJ students should consult with their Academic Advisor, the UCD Catalog, or the Comprehensive Degree Outline provided on the SPA website for a list of acceptable knowledge area courses. Knowledge area courses can be met with any passing grade or the pass/fail grading option.

4.6 Math Placement Exam
All undergraduate students must complete a minimum of 3 semester credit hours of college level math. Some math courses require prerequisites or satisfactory placement exam scores for registration

Math Placement and Testing

The Mathematical and Statistical Science department has mechanisms to determine which math course students are prepared to take. They also provide ways for students to improve their math skills and to become better prepared for certain classes.

Some of the pre-requisite exams which can be used to evaluate skill levels include: the SAT Math score, ACT Math score, MyMathTest, and ALEKS. For further details about math placement, training and testing visit the Mathematical and Statistical Science website (http://www.ucdenver.edu/academics/colleges/CLAS/Departments/math/Pages/MathStats.aspx)

Prerequisites as of March 2010:
MATH 1010 (Math for Liberal Arts) and 2830 (Introductory Statistics): Two years of High School Algebra is required.
MATH 1130 (Precalculus): Recommended: college algebra and college trigonometry. This class is specifically designed for students wanting to go on to take MATH 1401. In order to use this as a prerequisite for MATH 1401, a C or better is required in 1130.

MATH 1070 (Algebra for Social Sciences and Business) & MATH 1110 (College Algebra): requirements below are recommendations only. Prerequisites are not enforced. During the first week of classes students will be given an assessment exam and will be advised based on the results of the test.

MATH 1401 (Calculus I): Students must meet one of the requirements in order to register.

<td>Elementary Algebra test: 85</td>
<td>College Level Math test: 80</td>
</tr>
</tbody>
</table>

* Accuplacer is no longer offered at the University of Colorado Denver.

NOTE: in order to take Calculus I, MATH 1401, students must meet one of the prerequisite requirements before registering for the course. For students who have not already met one of the prerequisite requirements it is important to consider taking the MyMathTest or utilizing the Alek’s software early so there will be plenty of time to review material and, if necessary, re-take the exam before registering for classes.

Other Math Classes: Students must meet the prerequisite course requirement to register online. For exceptions, students must appeal to the Department of Mathematical and Statistical Sciences, 303-556-8442.
4.7 General Elective Requirements
All BACJ students are afforded 45-49 semester credit hours of general elective credits toward their bachelor’s degree. General electives allow students to explore other academic areas of interest, pursue a complimentary undergraduate minor or certificate, and provide a well rounded liberal arts education. Students are encouraged to consult with their Academic Advisor while determining how to best utilize their general elective requirements.

A maximum of 8 semester hours of activity courses in physical education from Metro-pooled list only can count toward the 120 hours required for the degree

4.8 Major Course Requirements
All BACJ students are required to complete the 21 semester credit hours listed below in addition to SOCY 1001 Introduction to Sociology with a grade of C- or better. If a student fails to earn a C- in any of the required criminal justice courses, it must be repeated with a satisfactory grade.

*Students must completed CRJU 3100 with a grade of C- or better before they will be allowed to take CRJU 3150

First year students are encouraged to complete SOCY 1001 Introduction to Sociology and CRJU 1000 Criminal Justice: An Overview. All students are advised to complete SOCY 1001 Introduction to Sociology, CRJU 1000 Criminal Justice: An Overview, and CRJU 2041 Crime Theory and Causes before attempting upper-division CRJU courses.

Any exceptions to these course requirements must be approved by the Criminal Justice Program Director.

4.9 Major Elective Course Requirements
Students must complete 15 credit hours of approved electives, with 9 credit hours taken in the Criminal Justice Department and 6 credit hours outside. Students should discuss elective options with the Academic Advisor. All elective courses are three credit hours.

Not all Criminal Justice electives are offered every semester. Typically 4-5 Criminal Justice electives are offered each fall and spring semester and 2-3 during the summer
Please see the BACJ Advisor for an updated list of Criminal Justice elective offerings.

Please consult the University of Colorado Denver Catalog for a complete description of elective courses: [http://catalog.ucdenver.edu/](http://catalog.ucdenver.edu/)

4.10 Internship Course Requirements

Students must complete a minimum of 3 credit hours of internship to satisfy the CRJU internship requirement. Students may choose to complete additional internship credits with a maximum accumulation of 6 credit hours. After 6 credits of CRJU internship credits, students are eligible for ONLY not-for-credit internships.

1 semester credit hour is equal to 45 hours of on-site internship work experience.
2 semester credit hours are equal to 90 hours of on-site internship work experience.
3 semester credit hours are equal to 135 hours of on-site internship work experience.
4 semester credit hours are equal to 180 hours of on-site internship work experience.
5 semester credit hours are equal to 225 hours of on-site internship work experience.
6 semester credit hours are equal to 270 hours of on-site internship work experience.

The internship can be paid or not-paid. Internships must be for academic credit.

In order to qualify for an internship, students must meet the following minimum requirements:
- Minimum of 15 credit hours completed on the UCD campus
- Successful completion of CRJU 1000 Criminal Justice: An Overview and CRJU 2041 Crime Theory & Causes
- Minimum 2.0 cumulative UCD grade point average

It is recommended that students begin preparing for an internship upon completion of 60 total semester credit hours including 12 credit hours completed in the criminal justice major.

Internship guidelines and procedures are set and maintained by the Experiential Learning Center (ELC) and can be obtained from either the ELC or your BACJ Academic Advisor. You must follow the guidelines and procedures set by the ELC in order to be successfully enrolled in CRJU 4939 Internship and receive credit.
## Suggested Internship Timeline

</tbody>
</table>
**Important Note:** Applications for nationally competitive internships, popular local internships, and those that require security clearances close 3-5 months before internship actually begins. For those internships it is best to start the process 2 semesters before you want to intern. For additional policy information, steps, or questions on the internship process visit the Experiential Learning Center’s webpage: [www.ucdenver.edu/life/services/ExperientialLearning](http://www.ucdenver.edu/life/services/ExperientialLearning).

### 4.11 Request to Waive Internship Requirement

Students who have worked full-time, professionally in the field of criminal justice for more than one year may request a waiver of the internship requirement. To do so, they should obtain the Request to Waive the Internship Requirement form from the SPA website or BACJ Academic Advisor. After completing the form (which requests the attachment of a current resume and a written description documenting the applicable work experience), the student should discuss the request for waiver with the Academic Advisor and must obtain approval from the BACJ Director.

Previous volunteer and/or internship experience is not eligible for an internship waiver.

### 4.12 Independent Study Courses

Qualified BACJ undergraduate students who seek to further their examination of knowledge outside the structured classroom are encouraged to register for independent study. Undergraduate independent study is a non-structured, independent research project under the sponsorship and supervision of a faculty member. Students should consult with the faculty sponsor to discuss the project and initiate the independent study contract.

Faculty seeking to sponsor an independent study project must have instructor, tenure-track, or tenure rank. Independent study projects are typically awarded credit on a 3:1 (4:1 in summer) basis for contact hours per week to credit hours. That is, a 3-credit-hour independent study project typically requires 9 hours of effort per week over the semester.

The student and the faculty member develop a course of study which meets the requirements of the University and SPA and the needs of the student. The student must then complete a UC Denver Special Processing Form (available from the SPA office) and have it approved by the supervising faculty member. The form must be submitted and approved by the posted add/drop period. Upon completing this process, the student will then be registered for CRJU 4800 Independent Study.

Independent study courses are subject to the following conditions:

- Participating students must be fully admitted to the BACJ program.
- Students must have a declared major or minor in the discipline of the independent study project and a minimum cumulative UCD GPA of 2.5.
- Students need to have a minimum junior standing and sufficient course work to allow independent research in the discipline.
• The credit hours for any one independent study course may vary from 1-3 for a semester; the exact credit hours are determined by the faculty supervisor and will be appropriate with the degree of complexity and difficulty of the project. The maximum independent study credit hours which may apply toward BACJ degree requirements are 6.

4.13 Sample Curriculum
The curriculum outlined below can be used as a model for completing the BACJ degree in 8 fall/spring semesters (4 years).

4.14 Minor Degree Policy
The Criminal Justice Minor is an 18-credit hour degree program, including 3 required courses and 3 electives. A maximum of 3 courses/9 credits can be applied as transfer credit from another institution. CLAS Majors completing the CJ Minor cannot “double-dip” and must choose their elective courses from subject areas outside of their major degree. For more information, contact the BACJ Academic Advisor.

5. Academic Credit by Exam or Experience

5.1 Advanced Placement
Students who have taken advanced courses in high school and who have earned high scores on the Advanced Placement (AP) standardized exams may be eligible for university credit. Advanced Placement scores of five, four, or three (a score of three requires a course letter grade of A in the last semester) will receive credit toward the downtown Denver campus core curriculum. AP Scores must be sent directly from the College Board to the Office of Admissions in order to be applied for credit.

5.2 International Baccalaureate
Students who have taken International Baccalaureate (IB) standardized exams may be eligible for university credit. IB scores of seven, six, five, or four, will receive credit toward the downtown Denver campus core curriculum. Students completing an International Baccalaureate Diploma program shall be awarded 24 credit hours minimum in accordance with HB 03-1108. IB transcripts must be mailed directly to the Office of Admissions in order for credit to be applied.

5.3 College Level Examination Program (CLEP)
School of Public Affairs students may earn university credit by examination in subject areas in which they have obtained college-level proficiency. Academic credit in the downtown Denver campus core curriculum is awarded for all CLEP subject examination areas in which students score at or above the 50th percentile. Academic credit is not awarded for CLEP general examination areas. The use of CLEP subject examinations toward major, minor, or certificate requirements is subject to a separate evaluation by the faculty advisor in the department or program.

To receive academic credit from CLEP, students must present official test results to the Office of Admissions.
A maximum of 30 hours of CLEP credit will count toward the degree.

6. TRANSFERRING CREDITS

6.1 Transfer Credit Guidelines
Coursework taken at any regionally accredited institution of higher education will be considered for transfer on the basis of having similar content to those offered by UCD. Statewide guaranteed transfer courses (GT Pathways) are always accepted and apply
to requirements. For a list of all the GT Pathways courses that are accepted for the BACJ degree, please reference the Transfer Planning Guide:

The following types of courses are NOT accepted: Developmental, Remedial, Vocational, Technical, Religious Doctrinal, Orientation, Independent Study, Special Topics, and Internship/Cooperative Education.

6.2 Grade Requirements for Transferred Courses
Only courses in which a grade of C- or better was earned are considered for transfer. Courses in which a grade of Pass (P) was earned are considered for transfer only if a grade of Pass at the sending institution is defined as a C- or better. Students wishing to appeal transfer credit decisions need to contact the BACJ Academic Advisor.

6.3 How the Transfer Process Works
After all official transcripts have been received and the student is admitted as a degree student, the Office of Admissions will prepare a transfer credit report indicating which courses have been accepted in transfer by UCD. A copy of this report is mailed to the student. Upon receipt of this transfer credit report, students should contact the BACJ Academic Advisor who will determine how transferred credit applies to specific degree requirements.

6.4 Age of Academic Courses Eligible for Transfer
The Office of Admissions considers course work for transfer regardless of the age of the academic credit. State guaranteed general education courses will be accepted in transfer and applied to graduation requirements for a period of at least 10 years after course completion. Individual departments, however, may have specific guidelines and policies about age of credit for courses not listed as "state guaranteed" and make the final decision about application of credit toward a degree program. No course older than 10 years can be applied to the BACJ major requirements, only to the Core and General Electives. Students are expected to have current working knowledge of prerequisite courses, regardless of when prerequisite courses were taken.

6.5 Transfer Credit Limits
A maximum of 60 semester hours is acceptable in transfer from community or junior colleges. A maximum of 90 semester hours is acceptable from four-year institutions or a combination of two- and four-year institutions.

6.6 Criminal Justice Coursework Transfer Guidelines
A maximum of 15 semester credits of criminal justice coursework can be accepted and applied to the criminal justice major. The BACJ Program Director has the final discretionary authority to accept or reject criminal justice transfer credits.
6.7 Colorado Community Transfer Plan
Courses completed for an Associate of General Studies (AGS) degree must be evaluated on a course by course basis. Students pursuing an AGS degree should follow the guidelines and courses listed in the Transfer Advising Plan for the School of Public Affairs that is published by the Office of Admissions each year.

Beginning with the 2013-14 academic year, students may complete an Associate of Arts degree in Criminal Justice that is transferable to the University of Colorado if all requirements are met. Please contact your Academic Advisor for more information.

7. PROGRAM ADVISING
Academic advising is a shared responsibility between the student, academic advisor, and when needed, Program Director. After a student has been admitted to the BACJ program, s/he needs to meet with the Academic Advisor before registering for their first semester.

The following bullets outline the responsibilities of each party.

7.1 Academic Advisor Responsibilities
- Explain college core curriculum and academic major requirements.
- Explain graduation requirements.
- Verify students' completion of criminal justice major/minor requirements.
- Review transfer credits as it relates to the degree general education core and elective requirements.
- Assist students with learning more about the criminal justice major.
- Introduce students to campus resources that will help them make decisions and feel connected with the University.
- Assist students in establishing an academic plan and career goals and provide support to accomplish goals.
- Help students review and evaluate progress toward the degree.
- Explain academic policies and procedures.
- Coordinate and approve all designated education transactions (i.e. course registration, major changes, college changes, withdrawal from the University, etc.)
- Facilitate the graduation check process.

7.2 Student Responsibilities
- Visit academic advisor at least once each semester, more often if needed.
- Be prepared for each advising session.
- Follow through on actions identified during each advising session.
- Get to know your advisor by sharing your personal interests, values, abilities, goals, etc.
- Know University and BACJ Program policies, important dates and deadlines.
- Attend School of Public Affairs activities to further your understanding of career options and to keep abreast with current best practices with the field.
7.3 Program Director Responsibilities

- Approve criminal justice major transfer credits.
- Outline learning agreements for student internships and review requests for waivers.
- Evaluate transfer credit appeals, petitions for re-admission, and all other grievances.

8. SPA Course and Grade Policies

8.1 Academic Probation and Suspension Policy

The following other general rules apply to grading policy and undergraduate students’ academic standing with UCD’s School of Public Affairs.

The calculation of cumulative GPA shall be based on all course work applied to the degree, including any courses taken as a non-degree student. (Note: Courses taken in non-degree status are not included in the overall calculation of GPA on the official transcript, but are included in the overall calculation of GPA within SPA for graduation purposes.)

8.1.1 Probation

- A student who fails to maintain an overall C (2.0 grade-point) average will be placed on probation.
- The probationary status will not be removed until the student returns to an overall University of Colorado minimum 2.0 GPA.
- Probationary students are required to meet with the BA CJ Academic Advisor before registering for each semester.
- Probationary students must earn a minimum of a 2.3 GPA each semester until their cumulative University of Colorado GPA is 2.0.
- Probationary students are not required to limit their enrollment, but a lessened schedule is suggested until the probationary status is lifted.
- Students who fail to meet the probationary conditions will be placed on restricted academic probation.

8.1.2 Restricted Academic Probation

- Students who fail to meet the academic probation conditions are placed on restricted academic probation.
- Students on restricted academic probation are not permitted to enroll in any criminal justice required major courses.
- Students on restricted probation must meet with the BACJ Academic Advisor before registering for each semester.
- Students on restricted probation are limited to enroll in no more than 2 classes or 6 credit hours each semester.
- Students on restricted probation must earn a minimum of a 2.3 GPA each semester until their cumulative University of Colorado GPA is 2.0. Students who fail to meet this requirement will be placed on Academic Suspension.
8.1.3 Academic Suspension

- Students who fail to meet the requirements of Restricted Probation are placed on Academic Suspension and will not be allowed to enroll in courses at UCD for one year/3 semesters.
- Student can attend another institution during this time and demonstrate improved academic performance (minimum GPA of 2.75)
- Student may petition for re-admission to the School of Public Affairs after the suspension term based on improved academic performance and/or demonstration of changes that will allow for good academic standing.
- Students who are approved for re-admission will be readmitted on Restricted Academic Probation.

8.2 Grade Policies

The University of Colorado Grading System is based on a 4.0 absolute scale.

All students must maintain a 2.0 cumulative grade point average.
The cumulative grade point average is the numeric average of the letter grades received in CU courses.

\[
\text{GPA} = \frac{\text{total grade points}}{\text{total graded credits attempted}}.
\]

8.2.1 Plus/Minus Grades

Faculty members have the option to use plus/minus grades. Including a “+” to a grade adds 0.3 points to students’ grade points. For example, students who earn a B+ will be awarded 3.3 grade points per credit hour. Including a “-“ to a grade subtracts 0.3 points from students’ grade points. For example, students who earn a C- will be awarded 1.7 grade points per credit hour.

8.3 Pass/Fail Credit

Core knowledge areas and electives are the only courses that can be taken pass/fail. Core Intellectual Competencies and courses required by the major/minor cannot be completed as pass/fail.

Grades of “D-“or better is translated by the Records office into a P (pass) grade. P grades do not affect students’ GPA.

Students interested in completing a course as Pass/Fail must submit a Schedule Adjustment Form during the drop/add period to the Academic Advisor for processing.

Students interested in completing a course as Pass/Fail after the drop/add period must obtain their instructor’s and Dean’s approval on a Schedule Adjustment Form.

Students need to consult the academic calendar posted on the Office of the Registrar’s webpage; www.ucdenver.edu/admissions/registrar, or with their Academic Advisor for drop/add dates.
8.4 Retakes and Incompletes

8.4.1 Retaking Courses
A student may not retake any course more than twice during the course of the degree program, regardless of whether the need for a retake results from a low grade, an incomplete, or a course withdrawal. Extreme exceptions can be petitioned to the Program Director.

A student who receives a letter grade for a course that is too low to qualify for credit (less than C- for major and minor courses) may retake the course once. Both grades will be used to calculate the student’s overall GPA. To retake a course, the student must re-enroll and pay tuition and fees for the course again.

8.4.2 Incompletes
An Incomplete may be granted when the student has successfully completed 75 percent or more of the course and is prevented from completing the class by circumstances beyond their control. The course instructor has discretion as to whether to grant an Incomplete, and students should be aware that not all faculty will grant Incompletes.

Students in online courses should be aware that they will not have access to the course shell after the ending date of the course, and so incompletes are not available for work that must be completed using the course shell.

If the instructor agrees to grant an Incomplete, the student must make arrangements to complete the remaining coursework with the original instructor within one year. The student may not “sit in” on the class in subsequent semesters.

Once the coursework is completed, the instructor will change the grade to a letter grade. The Incomplete notation will appear along with the final grade on the student’s transcript. If the coursework is not completed within a year, the Incomplete will automatically change to an F on the student’s transcript.

8.5 Retroactive Grade Changes
Students will not be permitted to request grade changes for courses in which a final letter grade has been received except as a result of instructor error or as otherwise warranted through the academic grievance process. A student may not enter into an agreement with an instructor to retroactively change a final letter grade based on work completed by the student after the course has ended.

8.6 No Credit
Students may register for a course on a no-credit basis through the Add/Drop period. Consult the Academic Calendar for this date. Requests to complete a course for no credit are submitted through the Schedule Adjustment Form. Request for no-credit courses after the add/drop period requires approval from the instructor and Dean. No-credit courses are billed the same as credit courses. This will appear on your official transcript and audit as a non-credit course.
8.7 Drops and Withdrawals

Deadlines for dropping a course are set by the Office of the Registrar and posted on the Academic Calendar for each semester. Students are responsible for knowing these deadlines. Students can drop a course during the first week of the semester without being assessed full tuition and without having the course appear on their transcript. Students who drop a course after the first week but before census date may drop in the UCDAccess portal, but a drop charge will apply. Students in intensive format classes must drop prior to the third class meeting to be eligible for a tuition adjustment.

After census date (typically the third Wednesday of the fall/spring semester), a student may withdraw from the course by submitting a Schedule Adjustment Form with the signature of the Instructor and Academic Advisor. A “W” will appear on the student’s transcript and the student will be financially responsible for the course(s).

If the request to withdraw is made after the 10th week of classes, the student must file a late withdrawal petition, in addition to a completed Schedule Adjustment Form, in order to obtain special approval from the Program Director. Students will not be allowed to drop after the 10th week of classes simply because they are failing the course; it is the student’s responsibility to work with the instructor to determine if the course should be dropped due to failing grades prior to the 10th week of classes. If the student is permitted to withdraw, a “W” will appear on the student’s transcript and the student will be financially responsible for the course(s). The detailed late withdrawal policy and late drop petition form can be found on the SPA website or obtained from the Academic Advisor.

The final day to submit a late withdraw petition is the Friday before finals week (the last day of regular classes) for the semester. After this date students will be only be permitted to request retroactive withdrawal from all classes for the semester. The detailed retroactive withdrawal policy and petition form can be obtained from the BACJ Academic Advisor.

No tuition reimbursements are available for withdrawals made after census date, and students may be required to repay financial aid received. Students who believe their circumstances justify an exception to financial obligations may appeal to the University’s tuition appeals coordinator.

Be aware, summer deadlines come quicker than regular fall and spring semester guidelines.

Students must initiate a drop or withdrawal and follow the appropriate procedures. Students who fail to do this and do not complete the coursework will be issued a letter grade of “F” for the course.

9. FINANCIAL ASSISTANCE

Please check with the Financial Aid office for loan options and a list of available scholarships: www.ucdenver.edu/student-services/resources/CostsAndFinancing.
Please check with the Academic Advisor or the School of Public Affairs webpage http://spa.ucdenver.edu for scholarships available through the School of Public Affairs.

10. GRADUATION PROCEDURES

Graduation ceremonies are held at the end of the Spring and Fall terms. You can also graduate in the summer; summer graduates are invited to participate in the fall commencement ceremony in December. You are required to meet with your BACJ advisor in order to apply for graduation.

10.1 Graduation Steps

In order to graduate, you will need to complete the following steps:
1. Meet with your BACJ Academic Advisor no later than census date during the semester in which you plan to graduate and submit the SPA BACJ Graduation Application (Found on SPA website). Consult the Academic Calendar for the semester’s exact census date.
2. Complete the Graduation Application (Found in UCDAccess) no later than census date during the semester in which you plan to graduate.
3. Meet with your minor advisor, if applicable, and confirm that you are completing your program(s).
4. Please be aware that an application for graduation may not be approved if there are one or more Incomplete notations in the degree audit.

10.2 Undergraduate Academic Honors

The School of Public Affairs recognizes outstanding achievement through academic honors. Academic Honors can be separated into two distinct categories: School of Public Affairs Honors and Dean’s List.

10.3 School of Public Affairs Honors

Students who perform exceptionally well academically in the School of Public Affairs will qualify for SPA Honors and will be awarded a bachelor’s degree accompanied by the statement with distinction. To be eligible for SPA Honors, a student must have completed a minimum of 45 hours at the University of Colorado (at any CU campus), including the final semester, with a 3.75 cumulative grade point average. The 45 hours must be completed in the student’s junior and senior years. A maximum of 6 semester hours may be completed with a grade of P (on P/F option) and included in the 45 semester hours.

10.4 Dean’s List

Each fall and spring semester, the School of Public Affairs will publish and display a Dean’s List, honoring students who demonstrate high scholastic achievement. To be eligible for the Dean’s List students must: earn a minimum 3.75 semester grade point average in all CU hours taken during the semester; be enrolled in at least 9 semester credit hours; complete courses for a grade (not P/F); and complete courses through
UCD Downtown Campus (Metro pooled courses will not be included in the GPA calculation nor count toward the 9 credit hour enrollment requirement).

Students who qualify for the SPA Dean's List will receive notification from the SPA Student Advising Office approximately 4-6 weeks after the end of the semester. Students who make the Dean's List for Fall and Spring semesters may be eligible for a Dean’s List scholarship award. Dean’s List Scholarship awards vary in amount each semester depending on funding the number of BACJ students who achieve Dean’s List status. Dean's list honor is noted on the transcript for each applicable semester.

11. Academic Grievance Policy and Procedure

11.1 General
This statement describes formal procedures by which a student may seek to remedy academic grievances within SPA. The School strongly encourages that these matters be settled informally whenever possible. Formal procedures normally should be used only when satisfaction cannot be obtained by informal means.

Procedures described below are for grievances of academic nature. Students with non-academic grievances may use established university mechanisms for such actions. Authority for final action on any grievance within SPA shall rest with the Dean.

11.2 Faculty-Student Resolution
Students are strongly encouraged to attempt to settle academic grievances first through discussion and negotiation with the faculty member(s) involved. Appeals should normally be filed with the Dean only if the matter is not settled to the satisfaction of the student with the faculty member(s).

11.3 Informal Resolution
If initial attempts to resolve the matter with the faculty member are unsuccessful, a student may—but is not required to—seek informal resolution of the problem through the office of the Associate Dean. If the student exercises this option, he/she will meet with the Associate Dean to explain the nature of the problem and discuss possible resolution. The Associate Dean will then consult with the faculty member involved to determine whether an informal resolution of the problem is possible. (A faculty member may also refer a case to the Associate Dean in which attempted bilateral resolution was unsuccessful). At this stage, the Associate Dean shall act as a facilitator or mediator, assisting the student and affected faculty member in achieving a mutually acceptable, voluntary resolution of the issue. Actions of the student, faculty member, and Associate Dean at this stage are understood to be informal and off-the-record, except insofar as noting that informal resolution was attempted.

11.4 Notice of Appeal
If informal resolution at steps 2 or 3 above cannot be achieved, an appeal is initiated by the student. Barring exceptional circumstances, appeals must be filed within 30 days of the event which is the basis of the grievance (or of the unsuccessful attempt at informal...
resolution). To appeal, the student must file a statement with the Dean setting forth the nature of the appeal and the remedy sought by the student. The student should append to the statement of appeal any relevant documentation or other information (e.g., statements of witnesses or others with knowledge of the basis for appeal). If such information is not available at the time the appeal is filed, it should be provided as soon as possible after filing; barring exceptional circumstances, it must be presented within 30 days of filing.

The Dean shall provide a copy of the appeal to the faculty member(s) involved within 5 working days. The faculty member(s) may respond in writing to the appeal, or provide such other documentation and information deemed relevant to decision making on the appeal.

11.5 Action by the Associate Dean
When the Associate Dean on the campus where the student is enrolled is not named in or a party to the grievance the Dean shall refer the appeal to that person. The Dean shall instruct the student to make an appointment to meet with the Associate Dean within 5 working days in order to review and resolve the appeal. The Associate Dean shall review and investigate the appeal, and reach a determination as to the quality of the appeal. He/she shall report in writing to the Dean within 30 days of initial referral of the matter to his/her office, and shall recommend appropriate action to the Dean. The Dean shall forward a copy of the report, together with proposed final action, to the student.

11.6 Grievance Committee
If the student does not accept the recommendation of the Associate Dean, he/she may within 10 days of its receipt appeal that finding to the SPA Academic Grievance Committee (to be appointed by the Dean). Any Grievance Committee member who is named in or is a party to the appeal shall be replaced with another faculty member not involved in the instant case by the Dean.

Within 10 days of receipt of the appeal, the Grievance Committee shall convene to review the substance of the appeal and all information generated by it. At its discretion, the Grievance Committee may also obtain such other information as it deems appropriate, including interviews with the student filing the appeal and others with knowledge and information concerning the issue(s) upon which the appeal is based. Within 30 days of receipt of the appeal, the Committee shall submit a written report to the Dean. The report shall contain a summary of the Committee’s information-gathering activities, its conclusions and judgments based upon the information gathered, and its recommendations for action by the Dean.

11.7 Final Action by the Dean
Within 10 days of receipt of the Grievance Committee’s report, the Dean shall take final action on the appeal. Final action shall take the form of a letter to the student stating the action and the reasons for taking it. The Dean may append a copy of the Grievance Committee’s report to the letter.
The Dean’s decision shall constitute final action by SPA.

11.9 Constitutional Rights
Nothing in this procedure is intended to nor should be construed as abrogating the rights under law accruing to students in SPA.

12. Academic Honor Code
With respect to matters of academic dishonesty, SPA subscribes in full to provisions contained in the UC Denver Student Academic Honor Code and to procedures for its implementation in the UC Denver Catalog. Copies of the Academic Honor Code are available in the SPA office.
