UNDERGRADUATE

DENVER'S BUSINESS SCHOOL
The future of business education for the Rocky Mountain region is here, at the Business School at the University of Colorado Denver. Located in Denver's vibrant downtown, the Business School’s programs and curriculum keep pace with the needs of students and businesses in the region and beyond. Flexible class schedules, AACSB accreditation, and a focus on real-world application make the Business School a top choice for business undergraduates. Graduates leave with skills and knowledge that prime them for careers of significance.

FINANCE MAJOR OVERVIEW
Students in our program are taught to think logically about financial problems, in order to formulate and implement value-maximizing decisions and policies for the business. Students will learn the importance of finance in the economy and the functions and purposes of monetary systems, credit, prices, security markets and financial institutions. Emphasis is placed on financial policy, management, control, analysis, and decision making.

PUT YOUR EDUCATION INTO ACTION
When hiring new college graduates, businesses look for more than a basic knowledge of business. They need people who are ready to seize an opportunity and get to work. The Business School offers you the opportunity to excel in these areas through experiential learning. Internships and other real-world experiences provide you additional skills and knowledge outside of the classroom.

All undergraduate students in the Business School are required to fulfill an experiential learning requirement. This requirement may be filled by completing one of the following:
› Internship
› Study abroad
› Service learning course
› Project-based course

FINANCE CAREER OPTIONS
Budget Analyst
Business Analyst
Commodities Trader
Credit Analyst

**SCHOLARSHIPS**
The Business School offers a variety of scholarship opportunities to help you finance your degree. Some scholarships are based on need, and others on academic accomplishment. Visit business.ucdenver.edu/scholarship to find out more and apply.

**INTERNATIONAL EXPERIENCES**
Participate in field study trips such as a Risk Management and Insurance study abroad trip or London Calling. See the Study Abroad website for opportunities. ucdenver.edu/studyabroad.

**SECOND MAJOR**
Many students consider pursuing a second major in business in addition to the Finance major. For this reason, you may be interested in a combined program leading to the completion of majors in two fields. You can obtain a second major with as little as 12 credit hours. See an advisor for details.

The Business School at CU Denver has earned accreditation by the Association to Advance Collegiate Schools of Business (AACSB International). This elite distinction is only granted to the top business programs in the world that meet rigorous standards for curriculum, faculty, library, and computer resources.
