DENVER’S BUSINESS SCHOOL

The future of business education in the Rocky Mountain region is here, at the University of Colorado Denver’s Business School. Located in Denver’s vibrant downtown, the Business School’s extensive range of degree programs and innovative industry specializations keep pace with the needs of students and businesses in the region and beyond. Flexible class schedules, AACSB accreditation, and a focus on real-world application make the Business School a top choice for working professionals. Graduates leave with skills and knowledge that prime them for careers of significance.

PREPARE FOR THE FUTURE

The world of tax is constantly changing. Globalization and increased competition, both domestically and internationally, has created a situation where tax law is helping to shape social, political, economic, and business policies and agendas. CU Denver is the only public university in Colorado to offer the Master of Science in Taxation degree, and one of only a handful of schools nationwide.
