**Jeppesen** – [www.jeppesen.com](http://www.jeppesen.com)

Jeppesen is an American company that specializes in navigational information, operations management and optimization solutions, crew and fleet management solutions and flight training products and services. Jeppesen serves four market segments.

**Pilatus Aircraft** – [www.pilatus-aircraft.com](http://www.pilatus-aircraft.com)

Founded in 1939, Pilatus Aircraft Ltd is the only Swiss company to develop, produce and sell aircraft to customers around the world: from the legendary Pilatus Porter PC-6 to the best-selling PC-12, a single-engine turboprop, and the PC-21, the training system of the future. Pilatus is currently developing the PC-24 – the world’s first ever business jet for use on short unmade runways. Domiciled in Stans, the company is certified to ISO 14001 in recognition of its efforts for the environment. The Pilatus Group includes three independent subsidiaries in Altenrhein (Switzerland), Broomfield (Colorado, USA) and Adelaide (Australia). With over 1600 employees at its headquarters, Pilatus is one of the largest employers in Central Switzerland. Pilatus provides training for over 100 apprentices in ten different professions – job training for young people has always been a very high priority at Pilatus.
