Dear Doctor,

What if you could benefit from a conference, without time away from your practice? The University of Colorado School of Dental Medicine has captured their Annual Refresher Course in Oral and Maxillofacial Surgery on MP4 video recordings of PowerPoint with presenter’s voice for each session on DVD and you can learn this exceptional educational content from the comfort of your home or office. This format enables you to learn at your own pace and on your own schedule, when and where it is convenient for you.

This comprehensive review is the ideal resource for board certification or recertification preparation and has been approved for 60 CDE credit hours and/or 60 AMA PRA Category 1 Credits™. Act now. Return the attached form to the address on the order form or fax it to 303-724-7066 or purchase online at www.CU4CDE.com.

Software Requirements:
To view MP4 videos, QuickTime software is required and can be downloaded for free at: http://www.apple.com/quicktime/download/

After downloading the QuickTime software, insert the DVD into the disc drive and search for the files in the drives folder. Double click the file you wish to view and QuickTime should open a video window to watch videos. External speakers are recommended when viewing DVDs to adjust audio levels.

For technical support please contact either Tim Buchanan (303) 304-7069, tbuchanan@psav.com or Chip Lutz (504) 329-3535, clutz@psav.com.
