Expanded Function Dental Assistant (EFDA) Level One
Expanded Restorative Skills

Course Catalog Number: EFDA 2001 190607 (Summer 2019)

COURSE AGENDA AND TOPICS COVERED
The following schedule is tentative; changes/updates may occur before this course starts (presenters, campus location, dates & times, etc.), however, this is very rare. Changes/Updates/Adjustments and emergencies do happen, a presenter may find they need more time to cover a certain topic, or we may have to shift to another location, due to rooming conflicts. Any enrolled students always receive up-to-date information/announcements through their registration contact information.

Day One: Friday, June 7, 2019
Education 2 North, Room #1103
1:00 pm to 6:00 pm
Introductions and Course Objectives (w/ Dr. Astorga and Dr. Delapp)
Lecture One – Morphology and Occlusion (w/ Dr. Delapp)
Lecture Two – Nomenclature and Terminology (w/ Dr. Delapp)
Lecture Three – Restorative Materials We Use (w/ Dr. Astorga)
Lecture Four – Amalgam Properties (w/ Dr. Astorga)
Lecture Five – Mixing and Handling Amalgam (w/ Dr. Astorga)
Lecture Six – Class I Amalgam (w/ Dr. Delapp)

Day Two: Saturday, June 8, 2019 (w/ Dr. Delapp)
Education 2 North, Room #1103, and SIM Clinic
7:30 am to 8:00 am
Breakfast (provided) in Classroom
8:00 am to 8:30 am
Lecture Seven – Class II Matrix Band Placement
8:30 am to 9:15 am
Let’s Take A Break and Walk Over to the SIM Clinic Together
9:15 am to 12:00 pm
Hands-On Clinic – Introduction to SIM Clinic
Hands-On Clinic – Place Class I Amalgam Restorations in SIM Clinic
12:00 pm to 1:00 pm
Lunch (provided) in Classroom
1:15 pm to 2:00 pm
Lecture Eight – Class II Amalgam Restorations
2:00 pm to 2:15 pm
Let’s Take A Break and Walk Over to the SIM Clinic Together
2:15 pm to 5:00 pm
Hands-On Clinic – Placement of Class I & II Amalgam Restorations in SIM Clinic

Day Three: Sunday, June 9, 2019 (w/ Dr. Astorga and Dr. Delapp)
Education 2 North, Room #1103, and SIM Clinic
7:30 am to 8:00 am
Breakfast (provided) in Classroom
8:00 am to 8:30 am
Lecture Nine – Troubleshooting and Problem-Solving
8:30 am to 9:30 am
Lecture Ten – Bonding Composite
Lecture Eleven – Class I Composite Restoration
Lecture Twelve – Class V Composite Restoration and Glass Ionomer Sandwich Technique
Lecture Thirteen – Finishing Composites Part One
9:30 am to 9:45 am
Let’s Take A Break and Walk Over to the SIM Clinic Together
9:45 am to 12:00 pm
Hands-On Clinic – Class I & V Composite Restorations in SIM Clinic
Expanded Function Dental Assistant (EFDA) Level One
Expanded Restorative Skills

Course Catalog Number: EFDA 2001 190607 (Summer 2019)

Day Four: Friday, June 21, 2019

1:00 pm to 4:45 pm
Lecture Fourteen – Class II Composite Rests (w/ Dr. Delapp)
Lecture Fifteen – Class III Matrix (w/ Dr. Astorga)
Lecture Sixteen – Class III Restoration (w/ Dr. Astorga)
Lecture Seventeen – Troubleshooting and Problem-Solving (w/ Dr. Astorga)
Lecture Eighteen – Finishing Composites (w/ Dr. Astorga)
Lecture Nineteen – Composite Restoration Repair

4:45 pm to 5:00 pm
Let's Take A Break and Walk Over to the SIM Clinic Together

5:00 pm to 9:00 pm
Hands-On Clinic – Class I, II, III, & V Composite Restorations, and Advanced Procedures (w/ Dr. Astorga, Dr. Delapp, and Dr. Wilson); Suppertime Meal and Snacks (provided) in Delta Dental

Day Five: Saturday, June 22, 2019 (w/ Dr. Astorga)

8:30am to 9:00am
Breakfast (provided) in Classroom

9:00am to 1:00pm
Lecture Twenty – Test Review
Lecture Twenty-One – Shade Selection
Lecture Twenty-Two – Complex Class IV Restorations and Palatal Stint
Lecture Twenty-Three – Fahl Video
Lecture Twenty-Four – Glass Ionomer Restorations Test

1:00pm to 2:00pm
Lunch (provided) in Classroom

2:00pm to 5:00pm
Free-Styling Finish Projects in SIM Clinic

5:00pm to Close
Lecture Twenty-Five – Advanced EFDA and Review Test; Closing Remarks, Questions & Answers Time, Class Evaluation and Needs Assessment Completion, Class Certificate and CEUs Distribution

WHAT IS THIS COURSE ALL ABOUT?

We designed our course to upgrade the skills and knowledge of the Expanded Function Dental Assistant, and to make him/her a more valuable member of the dental health team. Our EFDA Level I course covers small to moderate sized restorative procedures, while EFDA Level II concentrates on moderate to large restorative procedures. The multiple lectures and hands-on exercises prepare participants to perform advanced restorative procedures:

✓ Prepare participants to understand and use a variety of materials and techniques needed to provide more advanced restorative procedures
✓ Allow time and repetition of skills to acquire and achieve proficiency in these more complex dental procedures
✓ Completion of this course and its lectures/exercises provides immediately able to apply abilities

TESTIMONIALS FROM OUR PREVIOUS PARTICIPANTS
Here are real endorsements and testimonials from our previous course participants:

+ It is fun and gives us the reality of how it is. The staff is wonderful. – M. Alvarez
+ I am visual learner and the one-on-one moments along with the hands-on lab training really helped me understand the material being taught. – A. Barcenas
+ I liked how I had the ability to see the restorations up close and have them evaluated. – J. Beebe

COURSE LOGISTICS AND LOCATION
We cover all lectures and clinics in Five Days:
1) Friday, June 7 from 1:00 pm to 6:00 pm
2) Saturday, June 8 from 7:30 am to 5:00 pm
3) Sunday, June 9 from 7:30 am to 12:00 pm
4) Friday, June 21 from 1:00 pm to 9:00 pm
5) Saturday, June 22 from 8:30 am to 5:00 pm

Participants must attended and participate in all five days’ lectures and hands-on clinics to earn and receive the passing grade, Continuing Education Units (CEUs), and the Certificate of Completion.

Class held at the University of Colorado Anschutz Medical Campus in Aurora, Colorado (13065 East 17th Avenue, Aurora, Colorado 80045). One week prior to the class start date, we announce the detailed building and room/clinic information to registered participants.

PREREQUISITES AND REQUIREMENTS
We provide access to all the basic instruments and materials needed to complete this course. However, students will learn best if they practice with the composite and amalgam materials, matrix systems, and instruments they are likely to use in their own dental office environment. Only the very basic items will be available at the school for participants’ use. Any special materials, instruments, etc. accessible to participants should be brought to the course for your own use. Here is a listing of the suggested items to bring with you to class:

- Mirror
- Explorer #17
- Matrix Retainer
- Cleoid-Discoid Carvers (small and large)
- Interproximal Carver
- Hollenback Carver
- Burnisher (double-ended ball)
- Cotton Pliers
- Office Composite Setups
- Gold Knife or Bard Parker
- Amalgam Well or Dappen Dish
- Amalgam Carrier
- Amalgam Condensers (small and large)
- Evacuation Tip
- Triple Syringe Tip
- Eye Protection
- Plastic Instrument for Composite Placement (what is used in your office)
- Composite Instrument and Matrix System
- Etch and Bonding Systems

YOUR PRESENTERS AND CREDENTIALS

Dr. James Delapp, DDS, MA
Associate Professor in the Department of Restorative Dentistry at the University of Colorado School of Dental Medicine, and EFDA Director

James Delapp received his undergraduate degree from the University of Colorado Boulder and completed his dental degree at the University of Colorado School of Dental Medicine. He is now an Associate Professor of restorative dentistry.

Dr. Fernando Astorga, DDS, MS
Assistant Professor in the Department of Restorative Dentistry at the University of Colorado School of Dental Medicine, and Director of the Lifelong Learning and Continuing Dental Education Program

Dr. Fernando Astorga was born in Caracas, Venezuela and received his dental degree at the Universidad Central de Venezuela. He earned his AEGD at Universidad Santa Maria before completing an implant fellowship at the University of Texas Houston. At the University of North Carolina Chapel Hill, he completed an MS in Operative Dentistry. He joined the faculty of the University of Colorado School of Dental Medicine in 2013 as an Assistant Professor and was recently appointed the Director of Lifelong Learning and Continuing Dental Education.

COURSE TUITION(s) AND INCLUSIONS: Start Date is Friday, June 21, 2019

Standard Price of $1,195.00 for all five days (lectures and clinic exercises); $500.00 deposit saves your seat

• Thirty-Two (32) hours of in-class, live, interactive education, as well as hands-on clinic practice
• Presenters’ notes, presentation, contact information, and much more (we no longer physically print materials, unless they are absolutely needed for in-class use; you are welcome to bring a laptop to follow the presentations during class); Dropbox, loaded with class materials before class begins, we will email the link to all registrants
• Participants who attend the class in full earn 32 Continuing Education Credit Hours, a Certificate of Completion from the Continuing Dental Education Program (certificates awarded to participants who complete both the class evaluation and the needs assessment forms). Sign in on class attendance roster(s) required.
• Participants who attend the class in full, pass the final written exam, and complete all the course activities, earn everything listed above.

COURSE REGISTRATION PROCESS AND DEADLINE
The Continuing Dental Education Program does not follow the traditional schedule and/or deadlines as the School of Dental Medicine and/or the University of Colorado Anschutz Medical Campus. Please have your registration completed through RegOnline (link to class registration page listed below) no later than two-weeks before the class start date, which is Friday, May 24, 2019.

Participants are able to register right up to the start date; however, be aware, if you wait until the last minute the class may be full, your in-class and/or hands-on materials may not be immediately available, etc. In short, please register early and do not procrastinate – you may miss-out!

The Registration Process through RegOnline is FREE! Do not struggle on your own; always contact the Continuing Dental Education Program if you have any questions, concerns, and/or comments. We would love to hear from you! We would like to have your registration in the RegOnline system by Friday, May 24, 2019. Here is the Class RegOnline Registration Page: https://www.regonline.com/registration/Checkin.aspx?EventID=2563699

COURSE DROP/WITHDRAW DEADLINE
Please understand our program must make decisions in a timely manner, order supplies, and budget accordingly…

Any registrant who chooses to drop/withdraw from this course, for any reason, must do so in writing, by emailing a drop/withdraw request/notification to Heidi Utt at Heidi.Utt@UCDenver.edu.

- If a registrant Drops/Withdraws from this course before 5 pm on Friday, May 31, 2019 (Full Tuition Refund, minus an $125 Cancellation Fee)
- If a registrant Drops/Withdraws from this course after 5 pm on Friday, May 31, 2018 (Half Tuition Refund)

If an emergency does occur before and/or during a course you registered for, which completely restricts you from attending class, there are policies and procedures for dropping/withdrawing after this deadline – contact CDE/Heidi Utt. Please be fully aware, we may not be able to provide you with a refund after this deadline, if your justification/explanation does not meet university requirements.
TRAVEL ACCOMMODATIONS
If you are travelling-in to attend this course, we have some recommendations for you. The easiest physical address to use, for locating area accommodations, is our School of Dental Medicine Building, which is at 13065 East 17th Avenue, Aurora, CO 80045.

SpringHill Suites by Marriott Denver at Anschutz Medical Campus (mention you are with the University for Discounts)
13400 East Colfax Avenue, Aurora, Colorado 80011; Phone: 720-859-1100

Hyatt Regency Aurora-Denver Conference Center
13200 East 14th Place, Aurora, Colorado 80011; Phone: 303-365-1234

The Anschutz Medical Campus is approximately a half-hour away from the Denver International Airport (DIA)
Denver International Airport - https://www.flydenver.com/

CONCERNING THE AMERICAN DENTAL ASSOCIATION (ADA) CONTINUING EDUCATION RECOGNITION PROGRAM (CERP)
The American Dental Association Continuing Education Recognition Program (ADA CERP) accredits the University of Colorado (CU) School of Dental Medicine (SDM). Our accreditation/provider is important to us. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

To ensure balance, independence, objectivity, and scientific rigor at all programs, the planners and faculty must make full disclosure indicating whether they and/or their immediate family (includes spouse/partner) have any relationships with pharmaceutical companies, biomedical device manufacturers, and/or corporations whose products or services are related to pertinent therapeutic areas. All planners, faculty, content specialists, and feedback specialists participating in Continuing Dental Education (CDE) activities must disclose to the audience information listed above. If relevant relationships are not disclosed, we must disqualify all parties from the planning and implementation of this CDE activity.
