Protect Teeth and Implants, All Around
Course Catalog Number: PERI 1490 190712 (Summer 2019)

COURSE AGENDA AND TOPICS COVERED
The following schedule is tentative; changes/updates may occur before this class starts (presenters, campus location, dates & times, etc.), however, this is very rare. Changes/Updates/Adjustments and emergencies do happen, a presenter may find they need more time to cover a certain topic, or we may have to shift to another location, due to rooming conflicts. Any enrolled students always receive up-to-date information/announcements through their registration contact information.

Friday, July 12, 2019
Education 2 North, #1202

10:15 am to 10:30 am  Let Us All Take a Break!
10:30 am to 11:45 am  Implants Maintenance, Peri-Implant Disease Treatment, including AAP Classification, Clarification, and Clinical Applications
11:45 am to 12:15 pm  Closing Remarks, Questions & Answers Time, Course Evaluation and Needs Assessment

WHAT IS THIS COURSE ALL ABOUT?
Dentistry has a new interdisciplinary approach to detect, diagnose, and treat patients with an emphasis on ‘Biofilm’. The 2018 Classification of Periodontal and Peri-Implant Diseases and Conditions follows a medical model. This new classification also contains conditions affecting the periodontium and biofilm included or non-biofilm induced inflammation. Fortunately, new protocols, tools, and products have emerged to reflect this methodology. Find out more about these proven models and products that can aid with these specific treatment protocols.

COURSE LOGISTICS AND LOCATION
This course is One Morning, Friday, July 12, 2019 from 8 am to 12:15 pm. Light breakfast provided. Class held at the University of Colorado Anschutz Medical Campus in Aurora, Colorado (Education 2 North, Room #1202, 13120 East 19th Avenue). One week prior to the class start date, we announce the detailed building and room/clinic information, as well as directions to campus and parking availability, to registered participants.
WHAT TO WEAR AND/OR BRING WITH YOU TO CLASS
Please feel free to wear what you like, comfortable clothing recommended, and dress in layers (in case you get too cold/hot). Bring your own laptop (if you would like to access presentation(s) over Dropbox) and/or your own printed PowerPoint Presentations (if you would like, from the same Dropbox). We will provide any essential in-class materials.

COURSE OBJECTIVES
Today, patients have complex dentitions of natural teeth, restorations, and Implants. Biofilm disruption, proper tools for debridement and detoxification to eliminate inflammation are key! This course will provide you with the latest tools, protocols, and products for safe, effective natural teeth & implant maintenance. Learn the most effective home-care protocols to recommend for biofilm elimination. Elevate your patient care to the next level with the latest to disrupt, debride, and detoxify for longer lasting oral health!

Upon completion of this course, participants will be able to:
+ Understand the research on biofilm focus care for natural teeth and implants for disease prevention.
+ Identify periodontal and peri-implant disease and record in-patient records the correct Stage, Grade, and Conditions.
+ Put into practice the latest protocols for biofilm focus maintenance, disease treatment, and home-care.

YOUR PRESENTERS AND CREDENTIALS

Susan Wingrove, RDH, BS, dynamic innovator, writer, international speaker, instrument designer, and 2016 RDH Award of Distinction recipient. Susan is a member of the American Dental Hygienist’s Association, the International Federation of Dental Hygienists, the Oral-B Global Implant Board (P & G), and the Western Society of Periodontology. A published author for multiple journal articles, part of the scientific panel for the ACP Clinical Practice Guidelines, as well as an Implant Maintenance Textbook.
Protect Teeth and Implants, All Around
Course Catalog Number: PERI 1490 190712 (Summer 2019)

COURSE TUITION(s) AND INCLUSIONS: Start Date is Friday, July 12, 2019

Standard Price of $139.00 for entire morning lectures):
- Four (4.0) hours of in-class, live, interactive education, and hands-on with new materials
- Presenter’s notes, presentation, contact information, and much more (we no longer physically print materials, unless they are absolutely needed for in-class use; you are welcome to bring a laptop to follow the presentations during class); Dropbox, loaded with class materials before class begins, we will email the link to all registrants
- Participants who attend the class in full earn 4.0 Continuing Education Credit Hours, a Certificate of Completion from the Continuing Dental Education Program (certificates awarded to participants who complete both the class evaluation and the needs assessment forms). Sign in on class attendance roster(s) required.

COURSE REGISTRATION PROCESS AND DEADLINE
The Continuing Dental Education Program does not follow the traditional schedule and/or deadlines as the School of Dental Medicine and/or the University of Colorado Anschutz Medical Campus. Please have your registration completed through RegOnline (link to class registration page listed below) no later than one-week before the class start date, which is Friday, July 5, 2019.

Participants are able to register right up to the start date based on availability. Be aware, if you wait until the last minute the class may be full, your in-class and/or hands-on materials may not be immediately available. In short, please register early and do not procrastinate – you may miss-out!

The Registration Process through RegOnline is FREE! Do not struggle on your own; always contact the Continuing Dental Education Program if you have any questions, concerns, and/or comments. We would love to hear from you! We would like to have your registration in the RegOnline system by Friday, July 5, 2019. Here is the Class RegOnline Registration Page: https://www.regonline.com/registration/Checkin.aspx?EventID=2565745

CLASS DROP/WITHDRAW DEADLINE
Please understand our program must make decisions in a timely manner, order supplies, and budget accordingly…

Any registrant who chooses to drop/withdraw from this course, for any reason, must do so in writing, by emailing a drop/withdraw request/notification to Heidi Utt at Heidi.Utt@UCDenver.edu.
- If a registrant Drops/Withdraws from this course before 5 pm on Friday, July 5, 2019 (Full Tuition Refund, minus an $15 Cancellation Fee)
- If a registrant Drops/Withdraws from this course after 5 pm on Friday, July 5, 2018 (Half Tuition Refund)

If an emergency does occur before and/or during a course you registered for, which completely restricts you from attending class, there are policies and procedures for dropping/withdrawing after this deadline – contact CDE/Heidi Utt. Please be fully aware, we may not be able to provide you with a refund after this deadline, if your justification/explanation does not meet university requirements.
TRAVEL ACCOMMODATIONS
If you are travelling in to attend this course, we have some recommendations for you. The easiest physical address to use, for
locating area accommodations, is our School of Dental Medicine Building, which is at 13065 East 17th Avenue, Aurora, CO 80045.

SpringHill Suites by Marriott Denver at Anschutz Medical Campus (mention you are with the University for Discounts)
13400 East Colfax Avenue, Aurora, Colorado 80011; Phone: 720-859-1100

Hyatt Regency Aurora-Denver Conference Center
13200 East 14th Place, Aurora, Colorado 80011; Phone: 303-365-1234

The Anschutz Medical Campus is approximately a half-hour away from the Denver International Airport (DIA)
Denver International Airport - https://www.flydenver.com/
Regional Transportation District (trains, light-rails, buses, etc.) - http://www.rtd-denver.com/

Uber - https://www.uber.com/

A HUGE Thank You TO OUR SPONSOR
The University of Colorado, along with the School of Dental Medicine and the Continuing Dental Education
Program wish to acknowledge and sincerely thank Ivoclar Vivadent, Inc. for their substantial contribution
of an unrestricted educational grant, as well as their generous and continued support of this continuing dental
education program.

CONCERNING THE AMERICAN DENTAL ASSOCIATION (ADA)
CONTINUING EDUCATION RECOGNITION PROGRAM (CERP)
The American Dental Association Continuing Education Recognition Program (ADA CERP) accredits the University of Colorado (CU)
School of Dental Medicine (SDM). Our accreditation/provider is important to us. ADA CERP is a service of the American Dental
Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve
or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

To ensure balance, independence, objectivity, and scientific rigor at all programs, the planners and faculty must make full disclosure
indicating whether they and/or their immediate family (includes spouse/partner) have any relationships with pharmaceutical
companies, biomedical device manufacturers, and/or corporations whose products or services are related to pertinent therapeutic
areas. All planners, faculty, content specialists, and feedback specialists participating in Continuing Dental Education (CDE) activities
must disclose to the audience information listed above. If relevant relationships are not disclosed, we must disqualify all parties from
the planning and implementation of this CDE activity.
