COURSE AGENDA AND TOPICS COVERED
The following schedule is tentative; changes/updates may occur before this class starts (presenters, campus location, dates & times, etc.), however, this is very rare. Changes/Updates/Adjustments and emergencies do happen, a presenter may find they need more time to cover a certain topic, or we may have to shift to another location, due to rooming conflicts. Any enrolled students always receive up-to-date information/announcements through their registration contact information.

Saturday, November 9, 2019
Education 1 Bldg. (P26), Classroom #1400

8:00 am to 8:30 am  Class Check-In and Breakfast Provided

8:30 am to 9:30 am  As Low as Reasonably Possible (ALAR) Principles (w/ Dr. Brad Potter, DDS, MS)

9:30 am to 11:30 pm  Digital Radiology 101: A Brief Overview of Digital Radiology, Acquiring the Sharpest Images, and Common Processing Errors. In Addition, we will cover Liability and the Health Insurance Portability and Accountability Act (HIPPA) Concerns with Digital Radiology. Lastly, we will review Common Pathologies and Malignancies. (w/ Amy DeStaffany, RDH, BS)

11:30 am to 11:45 am  Let’s Take a Break

11:45 am to 12:45 am  Cone Beam Computed Tomography (CBCT) in the Dental Practice (w/ Dr. Brad Potter, DDS, MS)

12:45 pm to 1:30 pm  Lunch Provided

1:30 pm to 2:45 pm  Reading CBCT Images (w/ Dr. Brad Potter, DDS, MS)

2:45 pm to 3:30 pm  Interactive CBCT Anatomy (w/ Amy DeStaffany, RDH, BS)

3:30 pm to 4:00 pm  Closing Remarks, Questions & Answers Time, Course Evaluation and Needs Assessment

WHAT IS THIS COURSE ALL ABOUT?
Update your radiology knowledge in this interesting and fun course. In this course, explore all of the latest trends in digital radiology while also reviewing latent knowledge in some of the most common radiology concepts, diagnoses, and pathologies. Uncover fact versus fiction in radiographic exposure, and current liability and HIPPA issues in radiology. Finally, learn how to read CBCT images and participate with in an entertaining interactive experience!
WHAT ARE THE LEARNING OBJECTIVES?
In particular, learning objectives for this course include:
✓ Review Basic Concepts in Radiology
✓ Recognize Common Errors and Pathologies
✓ Provide Up-To-Date Infection Control and Patient Protection Strategies
✓ Discuss Current Liability and HIPPA Concerns in Digital Radiology
✓ Provide the Most Current Information on the “As Low As Reasonably Possible” (ALARA) Principle
✓ Introduce the Various Applications for the CBCT
✓ Developing Skills In Taking And Reading A CBCT

TESTIMONIALS FROM OUR PREVIOUS PARTICIPANTS
+ Both of the instructors were great! They both had good presentations and a lot of enthusiasm.
+ There was a wonderful overview of CBCT and radiology.
+ This is the best CE I have attended.
+ All the information was new and I really enjoyed the technology introduced today.

COURSE LOGISTICS AND LOCATION
This course is One Full Day, Saturday, November 9, 2019 from 8:30 am to 4:00 pm. Breakfast and Lunch provided. Class held at the University of Colorado Anschutz Medical Campus in Aurora, Colorado in the Education 1 Bldg. (P26), Classroom #1400 (13070 East 19th Avenue, Aurora, Colorado 80045). One week prior to the class start date, we announce the detailed building and room information, as well as directions to campus and parking availability, to registered participants.

WHAT TO WEAR AND/OR BRING WITH YOU TO CLASS
Inside the classroom setting, please feel free to wear what you like, comfortable clothing recommended, and dress in layers (in case you get too cold/hot). Bring your own laptop (if you would like to access Dropbox) and/or your own printed PowerPoint Presentations (if you would like, from the same Dropbox). We will provide any essential in-class materials. We will provide any necessary clinical instruments.
YOUR PRESENTERS AND CREDENTIALS

Dr. Brad J. Potter, DDS, MS, graduated from Northwestern University School of Dentistry in 1979. After private practice in general dentistry, in Colorado for 10 years, he returned to The University of Texas Health Science Center at San Antonio where he earned a Certificate and an M.S. in Dental Diagnostic Sciences. In 1991, he joined the faculty of the Medical College of Georgia School of Dentistry. There, Dr. Potter served in many roles including Interim Dean of the School of Dentistry from 2001 to 2003, and Vice Dean from 2003 to 2005. Dr. Potter’s present appointment is as Associate Dean for Academic Affairs at the University of Colorado School of Dental Medicine. In addition, he teaches the Oral and Maxillofacial Radiology curriculum in the Department of Diagnostic and Biologic Sciences. He is a diplomat of the American Board of Oral and Maxillofacial Radiology, and a fellow of the American College of Dentists, International College of Dentists, and the American Academy of Oral and Maxillofacial Radiology.

Amy DeStaffany, RDH, BS, Department of Surgical Dentistry, is a clinical instructor at the University of Colorado School of Dental Medicine. Amy graduated from the University of Colorado with a Bachelor of Science in Dental Hygiene in 1999, and is currently getting her Master’s in Dental Hygiene Education. After working in private practice for 15 years, she began her position at the School of Dental Medicine in 2014. Amy is a member of the American Dental Hygienists’ Association, American Dental Education Association, and the International Federation of Dental Hygienists.
COURSE TUITION(s) AND INCLUSIONS: Start Date is Saturday, November 9, 2019

Standard Price of $229.00 for entire day of lectures:

- Six (6.5) hours of in-class, live, interactive education
- Presenters’ notes, presentation, contact information, and much more (we no longer physically print materials, unless they are absolutely needed for in-class use; you are welcome to bring a laptop to follow the presentations during class); Dropbox, loaded with class materials before class begins, we will email the link to all registrants
- Participants who attend the class in full earn 6.5 Continuing Education Credit Hours, a Certificate of Completion from the Continuing Dental Education Program (certificates awarded to participants who complete both the class evaluation and the needs assessment forms). Sign in on class attendance roster(s) required.

COURSE REGISTRATION PROCESS AND DEADLINE

The Continuing Dental Education Program does not follow the traditional schedule and/or deadlines as the School of Dental Medicine and/or the University of Colorado Anschutz Medical Campus. Please have your registration completed through RegOnline (link to class registration page listed below) no later than one-week before the class start date, which is Friday, November 1, 2019.

Participants are able to register right up to the start date based on availability. Be aware, if you wait until the last minute the class may be full, your in-class and/or hands-on materials may not be immediately available. In short, please register early and do not procrastinate – you may miss-out!

The Registration Process through RegOnline is FREE! Do not struggle on your own; always contact the Continuing Dental Education Program if you have any questions, concerns, and/or comments. We would love to hear from you! We would like to have your registration in the RegOnline system by 5 pm on Friday, November 1, 2019. Here is the Class RegOnline Registration Page: https://www.regonline.com/registration/Checkin.aspx?EventID=2571458

CLASS DROP/WITHDRAW DEADLINE

Please understand our program must make decisions in a timely manner, order supplies, and budget accordingly…

Any registrant who chooses to drop/withdraw from this course, for any reason, must do so in writing, by emailing a drop/withdraw request/notification to Heidi Utt at Heidi.Utt@CUAnschutz.edu

- If a registrant Drops/Withdraws from this course before 5 pm on Friday, November 1, 2019 (Full Tuition Refund, minus an $25 Cancellation Fee)
- If a registrant Drops/Withdraws from this course after 5 pm on Friday, November 1, 2019 (Half Tuition Refund)

If an emergency does occur before and/or during a course you registered for, which completely restricts you from attending class, there are policies and procedures for dropping/withdrawning after this deadline – contact CDE/Heidi Utt. Please be fully aware, we may not be able to provide you with a refund after this deadline, if your justification/explanation does not meet university requirements.
TRAVEL ACCOMMODATIONS
If you are travelling-in to attend this course, we have some recommendations for you. The easiest physical address to use, for locating area accommodations, is our School of Dental Medicine Building, which is at 13065 East 17th Avenue, Aurora, CO 80045.

SpringHill Suites by Marriott Denver at Anschutz Medical Campus (mention you are with the University for Discounts) 13400 East Colfax Avenue, Aurora, Colorado 80011; Phone: 720-859-1100 http://www.marriott.com/hotels/travel/denaf-springhill-suites-denver-at-anschutz-medical-campus/?scid=bb1a189a-fec3-4d19-a255-54ba596ebe2

Hyatt Regency Aurora-Denver Conference Center 13200 East 14th Place, Aurora, Colorado 80011; Phone: 303-365-1234 https://aurora.regency.hyatt.com/en/hotel/home.html

CONCERNING THE AMERICAN DENTAL ASSOCIATION (ADA) CONTINUING EDUCATION RECOGNITION PROGRAM (CERP)
The American Dental Association Continuing Education Recognition Program (ADA CERP) accredits the University of Colorado (CU) School of Dental Medicine (SDM). Our accreditation/provider is important to us. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

To ensure balance, independence, objectivity, and scientific rigor at all programs, the planners and faculty must make full disclosure indicating whether they and/or their immediate family (includes spouse/partner) have any relationships with pharmaceutical companies, biomedical device manufacturers, and/or corporations whose products or services are related to pertinent therapeutic areas. All planners, faculty, content specialists, and feedback specialists participating in Continuing Dental Education (CDE) activities must disclose to the audience information listed above. If relevant relationships are not disclosed, we must disqualify all parties from the planning and implementation of this CDE activity.
