Simplifying the Placement of Posterior Composite Restorations

Course Catalog Number: REST 2070 190713 (Summer 2019)

COURSE AGENDA AND TOPICS COVERED
The following schedule is tentative; changes/updates may occur before this class starts (presenters, campus location, dates & times, etc.), however, this is very rare. Changes/Updates/Adjustments and emergencies do happen, a presenter may find they need more time to cover a certain topic, or we may have to shift to another location, due to rooming conflicts. Any enrolled students always receive up-to-date information/announcements through their registration contact information.

Saturday, September 14, 2019
Education 2 North, Classroom #1103

7:30 am to 8:00 am       Class Check-In and Breakfast Provided
8:00 am to 8:15 am       Welcome and Introductions
8:15 am to 10:15 am      Discussion on Composites, Bulk Fill Options and their Use; Learning How Bioactive Materials can Help in the Restorative Processes
10:15 am to 10:30 am     Let’s All Take a Break
10:30 am to 12:30 am     Discussion on Composite Placement Technique, including How Sectional Matrix can Help Accurately Reproduce Contact and Contour for Proximal Surfaces; Learning How to Manage Soft-Tissue Problems when Placing Class II Composite Resins
12:30 am to 1:30 pm      Lunch Provided
1:30 pm to 2:30 pm       Finishing and Polishing Techniques that Create a Natural Surface Texture and Reflection
2:30 pm to 2:45 pm       Let’s Walk Over to the SIM Clinic Together (SDM, 2nd Floor)
2:45 pm to 3:45 pm       Posterior Class II Composite with Sectional Matrix; Placing Minimally Invasive Bioactive Restoration
3:45 pm to 4:00 pm       Closing Remarks, Questions & Answers Time, Course Evaluation and Needs Assessment

WHAT IS THIS COURSE ALL ABOUT?
In this lecture/demonstration/hands-on course, Dr. Lowe will discuss and demonstrate techniques to create morphologically precise direct posterior composite restorations. Placing an emphasis on the use of bulk-fill dentin replacements, including flowable resins to help decrease layering in simplify posterior composite placement. Bioactive “smart” materials also offer an interesting restorative option. Learn when and where use these materials is indicated. Today’s composite restorative materials in combination with finishing techniques will enable simple, yet “world class” placement of state-of-the-art restorations for your patients tomorrow!

Course Catalog Number: REST 2070 190713 (Summer 2019)

COURSE LOGISTICS AND LOCATION
This course is One Full Day, Saturday, September 14, 2019 from 8:00 am to 4:00 pm. Breakfast and Lunch provided. Class held at the University of Colorado Anschutz Medical Campus in Aurora, Colorado (Education 2 North Bldg., Classroom #1103 (13120 East 19th Avenue, Aurora, Colorado 80045). One week prior to the class start date, we announce the detailed building and room/clinic information, as well as directions to campus and parking availability, to registered participants.

WHAT TO WEAR AND/OR BRING WITH YOU TO CLASS
Inside the classroom setting, please feel free to wear what you like, comfortable clothing recommended, and dress in layers (in case you get too cold/hot). Bring your own laptop (if you would like to access Dropbox) and/or your own printed PowerPoint Presentations (if you would like, from the same Dropbox). We will provide any essential in-class materials. Inside the pre-clinic setting, please wear scrub attire and/or a lab coat/gown for clinical activities. We will provide any necessary clinical instruments.

YOUR PRESENTER AND CREDENTIALS
Robert A. Lowe, DDS, FAGD, FICD, FADI, FACD, received his DDS degree, magna cum laude, Loyola University in 1982, has maintained a full time practice for 30 years, and is a world recognized teacher and clinician. He taught for 10 years at Loyola University School of Dentistry and has received Fellowships in the AGD, ICD, ADI, and ACD. In 2004, Dr. Lowe received the Gordon Christensen Outstanding Lecturer Award and in 2005 received Diplomate status on the American Board of Aesthetic Dentistry.

Dr. Lowe has authored numerous scientific articles and has contributed to dental textbooks. He is a consultant for a number of dental manufacturers and a member and clinical evaluator for Catapult Education. Dentistry Today consistently names Dr. Lowe to the “Top 100 Clinicians in Dentistry”.

COURSE TUITION(s) AND INCLUSIONS: Start Date is Saturday, Sept. 14, 2019
Standard Price of $289.00 for entire morning lectures):
• Six and a Half (6.5) hours of in-class, live, interactive education, and hands-on experience in SIM Clinic
• Presenter’s notes, presentation, contact information, and much more (we no longer physically print materials, unless they are absolutely needed for in-class use; you are welcome to bring a laptop to follow the presentations during class); Dropbox, loaded with class materials before class begins, we will email the link to all registrants
• Participants who attend the class in full earn 6.5 Continuing Education Credit Hours, a Certificate of Completion from the Continuing Dental Education Program (certificates awarded to participants who complete both the class evaluation and the needs assessment forms). Sign in on class attendance roster(s) required.

COURSE REGISTRATION PROCESS AND DEADLINE
The Continuing Dental Education Program does not follow the traditional schedule and/or deadlines as the School of Dental Medicine and/or the University of Colorado Anschutz Medical Campus. Please have your registration completed through RegOnline (link to class registration page listed below) no later than one-week before the class start date, which is Friday, September 6, 2019.

Participants are able to register right up to the start date based on availability. Be aware, if you wait until the last minute the class may be full, your in-class and/or hands-on materials may not be immediately available. In short, please register early and do not procrastinate – you may miss-out!

The Registration Process through RegOnline is FREE! Do not struggle on your own; always contact the Continuing Dental Education Program if you have any questions, concerns, and/or comments. We would love to hear from you! We would like to have your registration in the RegOnline system by 5 pm on Friday, September 6, 2019. Here is the Class RegOnline Registration Page: https://www.regonline.com/registration/Checkin.aspx?EventID=2568520

CLASS DROP/WITHDRAW DEADLINE
Please understand our program must make decisions in a timely manner, order supplies, and budget accordingly…

Any registrant who chooses to drop/withdraw from this course, for any reason, must do so in writing, by emailing a drop/withdraw request/notification to Heidi Utt at Heidi.Utt@CUAnschutz.edu

- If a registrant Drops/Withdraws from this course before 5 pm on Friday, September 6, 2019 (Full Tuition Refund, minus an $25 Cancellation Fee)
- If a registrant Drops/Withdraws from this course after 5 pm on Friday, September 6, 2019 (Half Tuition Refund)

If an emergency does occur before and/or during a course you registered for, which completely restricts you from attending class, there are policies and procedures for dropping/withdrawing after this deadline – contact CDE/Heidi Utt. Please be fully aware, we may not be able to provide you with a refund after this deadline, if your justification/explanation does not meet university requirements.

TRAVEL ACCOMMODATIONS
If you are travelling-in to attend this course, we have some recommendations for you. The easiest physical address to use, for locating area accommodations, is our School of Dental Medicine Building, which is at 13065 East 17th Avenue, Aurora, CO 80045.

SpringHill Suites by Marriott Denver at Anschutz Medical Campus (mention you are with the University for Discounts)
13400 East Colfax Avenue, Aurora, Colorado 80011; Phone: 720-859-1100

A HUGE Thank You TO OUR SPONSOR

The University of Colorado, along with the School of Dental Medicine and the Continuing Dental Education Program wish to acknowledge and sincerely thank Catapult Education for their substantial contribution of an unrestricted educational grant, as well as their generous and continued support of this continuing dental education program.

CONCERNING THE AMERICAN DENTAL ASSOCIATION (ADA)
CONTINUING EDUCATION RECOGNITION PROGRAM (CERP)
The American Dental Association Continuing Education Recognition Program (ADA CERP) accredits the University of Colorado (CU) School of Dental Medicine (SDM). Our accreditation/provider is important to us. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

To ensure balance, independence, objectivity, and scientific rigor at all programs, the planners and faculty must make full disclosure indicating whether they and/or their immediate family (includes spouse/partner) have any relationships with pharmaceutical companies, biomedical device manufacturers, and/or corporations whose products or services are related to pertinent therapeutic areas. All planners, faculty, content specialists, and feedback specialists participating in Continuing Dental Education (CDE) activities must disclose to the audience information listed above. If relevant relationships are not disclosed, we must disqualify all parties from the planning and implementation of this CDE activity.
