Director

CHRISTINA BISHOP, Arrhythmias Director, is also the Associate Director of the Colorado Mormon Chorale. She enjoys working with public school and church choirs as a clinician, and maintains a vibrant private studio. Christina has sung professionally in the Summer Choralfest with Dr. Howard Skinner, as a substitute in St. John's Cathedral Choir, and semi-professionally with the Denver-based community choir Kantorei. She received a vocal scholarship from Brigham Young University where she studied K-12 Music Education and earned her MM in Choral Conducting. During her graduate training, she had the honor of conducting BYU Singers in venues throughout England, Ireland, and Wales as the assistant director.
