

Dear patient or family member:

Please help us find out how well we communicate with patients and families at [ORG NAME].

This survey will take less than 10 minutes.

Please do not write your name or your child's name on the survey. Your answers to these questions cannot be matched with your name or your child's name. Your answers to these questions will not change how you or your child is treated.

Instructions:

1. Parents or guardians, please fill out this survey for your minor child.
2. Place the survey in the envelope and seal it.
3. Put the sealed envelope in the collection box, or hand it in at the reception desk.

Your answers to these questions are very important. But, you do not have to fill out this survey if you do not want to.

Thank you for your help.

Check this box if a staff person helps you fill out the survey
