

Risky Research: What Keeps You Awake at Night?

9th Annual
CCTSI
Research
Ethics
Conference

Thursday, October 25th

11:45am – 4:15pm at the Fulginiti Pavilion

KEYNOTE:

John Lantos, MD

Professor of Pediatrics at the University of Missouri–Kansas City School of Medicine.
Director of the Children's Mercy Bioethics Center at Children's Mercy Hospital.

Participation in high risk studies demands an enhanced assessment of the risks and respect for the informed choices of participants.

Case studies will address:

- How do you identify risky research?
- What are the risks and potential benefits?
- What ethical issues does your research raise?
- How do you address risks and protect participants?

RSVP for free lunch & program details
