Ethics Grand Rounds

Ethical Decision Making and Complicated Grief

Peter Hulac, MD
Senior Instructor with Distinction in Pediatrics (neonatology) - retired

Thursday, October 10, 2019, Noon-1:00pm
University of Colorado Hospital-Anschutz Outpatient Pavilion – Rm. 2005-2006

Learning Objectives:

1. To describe the concept of complicated grief as represented in six stories of surviving surrogate decision makers.
2. To describe how the process of making end of life decisions might affect bereavement and grief.
3. To discuss staff role in conversing with surrogate decision makers in end of life decisions.
