

# **EVERY ONE THAT ASKS**

---

## **Conversations with Denver's Homeless**

**Homelessness is on the rise in metro Denver:  
Over 5,000 individuals are unsure where they will sleep tonight.  
Sally Peach, a final year medical student, wanted to get beyond the  
statistics. Abandoning her biases and expectations,  
she held authentic conversations with Denver's homeless.  
These are their stories.**

### **Sally Peach, MD - Class of 2018**

**On display starting May 21<sup>st</sup>  
Fulginiti Pavilion for Bioethics and Humanities**
