University Of Colorado Hospital Ethics Grand Rounds

Understanding Health Stigma in Clinical Settings as a Key to Preventing It

Presenter:
Daniel S. Goldberg, JD, PhD

Daniel S. Goldberg, Associate Professor at the University of Colorado Center for Bioethics and Humanities, is trained as an attorney, a public health ethicist, and he is a historian of medicine. His current research agenda in law, policy, and bioethics focuses on the social determinants of health, public health policy and chronic illness, health inequities, and stigma. He maintains an active research program in the history of medicine. Dr. Goldberg has been actively writing, teaching, and speaking on the subject of chronic pain since 2000.

Location:
Anschutz Outpatient Pavilion (AOP)
Rooms 2006—2005

Thursday, November 10, 2016
12:00 noon – 1:00 pm
