Center for Bioethics and Humanities UNIVERSITY OF COLORADO ANSCHUTZ MEDICAL CAMPUS
An important function of the **Center for Bioethics and Humanities** is to offer on-site educational services to institutions in our region. We can organize or enhance your team’s training in clinical ethics – both for case consultation and to provide policy and practice guidance.
A variety of educational formats shaped to your institution’s needs.

**Informal consultation** with leadership on how to start or improve clinical ethics services (1-2 hours).

**Case-based consultation** on particularly challenging issues.

**Educational seminars** (half day to 20 hours) involving one or more of the following:

- Core competencies in clinical ethics
- From first call to consult and documentation
- Special issues
- Organizational ethics considerations

Informal consultations and case discussions are free of charge; longer seminars are fee-based.

We welcome your questions, and look forward to serving you.
