February 10, 2015

To: CU Diversity Medical Students

From: John E. Repine, MD  
DREAM Program Director, and  
David Schwartz, MD  
Chairman, Department of Medicine

Re: DREAM Program Opportunity

Deadline: Rolling acceptance with final deadline being April 1, 2015

A summer research program of 8 weeks (May 26, 2015 to July 17, 2015) is available for 8 CU diversity medical students (defined on attached application). The stipend is $3,000. You will be required to find a mentor, develop a project, fill out and e-mail the attached form, complete the project, provide a final report and present a poster at a graduation luncheon. Students are strongly encouraged to find a research mentor from the Department of Medicine (see website below) and we will help you if you wish.

Dr. Repine will be happy to help you with any of these aspects or answer any questions.

Dan Waid, the Dream Program Administrator, can also provide information about the program.

Thank you for your interest in the DREAM Program.
