General Information

This program is designed to meet the educational needs of physicians, physician assistants, nurse practitioners, nurses, medical students, cardiac rehabilitation specialists, diabetes educators, and many others involved in women’s health.

Accreditation

The University of Colorado School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of Colorado School of Medicine designates this live activity for a maximum of 4.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Learning Objectives

At the conclusion of this activity, participants should be able to:

• To identify sex differences in diagnosis and treatment of type 2 diabetes with particular regard to cardiovascular consequences.
• To familiarize participants with combination therapy in treating diabetes.
• To know current evidence based guidelines for screening for complications associated with pediatric obesity, including dyslipidemia, type 2 diabetes, sleep apnea, non-alcoholic steatohepatitis, and hypertension.
• To understand the role of epigenetics in human health and disease.
• To design an approach for implementing personalization strategies based on clinical setting, resources, and clinical work flow.
• To diagnose inflammatory arthritis classifiable as rheumatoid arthritis more accurately.
Schedule

7:00-8:00 AM  Registration and continental breakfast
8:00 AM  Introductions and Welcome
  Judith Regensteiner, PhD, and Jane Reusch, MD

SESSION I

8:15 AM  Motivation and Medications: Combination Therapy for Diabetes
  Jane Reusch, MD
8:45 AM  Screening for Comorbidities in Obese Youth: What Do You Do If You Find Something?
  Megan Kelsey, MD
9:15 AM  Sex Differences in Diabetes and Cardiovascular Consequences: Time to Consider in the Clinic
  Judith Regensteiner, PhD
9:45 AM  Panel: Questions and Answers
10:15 AM  Break

SESSION II

10:45 AM  Asthma: An Epidemic Caused by Epigenetics?
  David Schwartz, MD
11:15 AM  Personalized Medicine in Practice: Opportunities, Resources, and Strategies
  David Kao, MD
11:45 AM  Sex Differences in Rheumatoid Arthritis: Pathophysiology and Clinical Management
  Kristen Demoruelle, MD
12:15 PM  Panel: Questions and Answers
1:00 PM  Conference adjourns

Presented by:
Center for Women’s Health Research
Divisions of Internal Medicine and Cardiology
University of Colorado School of Medicine

Sponsored by:
University of Colorado School of Medicine
Office of Continuing Medical Education and Professional Development
Featured Presenters
