General Information

This program is designed to meet the educational needs of physicians, physician assistants, nurse practitioners, nurses, medical students, cardiac rehabilitation specialists, diabetes educators, and many others involved in women’s health.

Accreditation

The University of Colorado School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of Colorado School of Medicine designates this live activity for a maximum of 4.25 AMA PRA Category 1 Credits.™

Learning Objectives

At the conclusion of this activity, participants should be able to

1. Develop confidence in the use of effective counseling techniques through guided practice during this session.
2. Summarize disease-specific nutrition guidelines into food based recommendations that patients can understand and implement.
3. Describe the powerful influence of nutrition in pregnancy on glucose, lipids, and infant adiposity.
4. Identify available therapeutic agents for osteoporosis and recognize potential applications and limitations of use.
5. Understand and apply the principles of primary palliative care to non-palliative settings.
6. Assess current models of telepsychiatry in primary care and other settings and how these models can be adapted to improve women’s mental health and wellness in primary care. Identify resources to facilitate these adaptations.
7:00–8:00 AM  Registration and Continental Breakfast
8:00 AM  Introduction and Welcome

Judy Regensteiner, PhD
Director, Center for Women’s Health Research

Session 1

8:15 AM  Are your Counseling Approaches Evidence-Based?  Contrasting Effective and Ineffective Lifestyle Counseling Strategies for Patients with Type 2 Diabetes
Amy Huebschmann, MD, MS
