E-mail: diana.doyle@uchsc.edu

Presented by:
The AANS/CNS Joint Section on Tumors
The AANS/CNS Immunotherapy Task Force
Department of Neurosurgery, University of Colorado

Sponsored by:
University of Colorado School of Medicine
Office of Continuing Medical Education

Brain Tumor Immunotherapy
The Given Institute • Aspen, Colorado
August 7-9, 2006
General Information

Aspen, Colorado, located 4 hours from Denver, is a quaint Victorian town that comes alive in the summer. Wander through mountain trails, take in world-class music performances and dine at your choice of fine restaurants. The area offers stunning natural surroundings and a broad range of recreational activities including rafting, biking, hot-air ballooning, hiking, gondola rides, horseback riding and more.

Aspen Music Festival

Tuesday, August 8
A recital by the American String Quartet

Wednesday, August 9
Special Event - with Lang Lang piano

800-356-6559 or www.mollygibson.com for a virtual tour, online booking

Preliminary Program

Presented by:
UCDHSC – Department of Neurosurgery
Conference Location: The Given Institute, 100 E. Francis Street
Sunday, August 6, 2006
5:00 pm Registration
6:00 pm Wine and cheese reception
The Given Institute

Monday, August 7, 2006
7:00 – 7:45 am Registration & Breakfast
7:45 – 8:00 Welcome & Introduction
8:00
A Tribute to Dr. Steven Mahaley
Moderated by: Kevin Lillehei, MD
• Active Cellular Therapy for Brain Tumors: Lessons from the Past
  Yancey Gillespie, PhD
  University of Alabama
• Early Antibody Therapy in the Treatment of Brain Tumors
  Speaker - TBA
10:30 – 12:30 pm Open Abstracts
Tuesday, August 8, 2006
7:00 – 9:00 am Breakfast
8:00 am
“Brain Tumors on the Outside:” Biology Immunology, Cytokines and Therapies
Moderated by: Michael Graner, PhD
• Cytokines and Vaccines
  Hideho Okada, MD, PhD
  Assistant Professor of Neurological Surgery
  University of Pittsburgh
• Tumor/Endothelial Cell Interactions
  Florence Hofman, PhD, Professor
  University of Southern California
• Cell Surface Heat Shock Proteins as Tumor Targets
  Michael Graner, PhD
• Immunotherapy Clinical Trials
  Speaker - TBA
10:30 – 12:30 pm Open Abstracts
5:00 – 7:00 pm Happy Hour - Hotel Jerome
Optional activity/Cash bar

Wednesday, August 9, 2006
7:00 – 9:00 am Breakfast
8:00 Cellular Immunotherapeutics
Moderated by: Robert Carter, MD, PhD
• Chimeric Immunoreceptor Therapy
  Speaker TBA
• Adoptive Transfer Strategies
  Speaker TBA
10:30 – 12:30 pm Open Abstracts
12:30 pm Adjourn

Fees

All registration fees include course syllabus, continental breakfasts, refreshments, Sunday evening cocktail reception. Spouses/guests are invited.

Physician Registration: $295 (postmarked after 6/15/06)

Please make check payable to University of Colorado School of Medicine. A 90% refund will be made for cancellations up to 10 working days prior to the course. No refunds will be made for cancellations after this time or for non-attendance. A comprehensive course syllabus containing outlines and abstracts will be given to each registrant upon check-in.

The conference committee reserves the right to cancel this conference in the event of an unforeseen circumstance or if the minimum acceptable registration is not attained. In the event of a cancellation, the University of Colorado School of Medicine is obligated to refund the registration fee only.

Abstract Submission

For those wishing to present papers, please submit an abstract by June 15, 2006. Forms are available on our website: www.uchsc.edu/neurosurgery or you may submit your abstract via mail, fax or e-mail to:

Department of Neurosurgery
Attn: Kevin Lillehei, MD
4200 E. 9th Ave., C307
Denver, CO 80262
Fax: 303-315-1331
E-mail: Kevin.Lillehei@uchsc.edu

For more information about the conference call Diana Doyle at 303-315-0303

Learning Objectives:

At the conclusion of this conference, participants should be able to: recognize the current and past immunologic therapies for brain tumors, discuss recent advances in the understanding of the immune mechanisms of the brain, discuss recent advances in the development of tumor vaccines for treatment of primary gliomas and discuss recent advances in the use of monoclonal antibody and cytokine treatment strategies for primary gliomas.

Accreditation

The University of Colorado School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Colorado School of Medicine designates this educational activity for a maximum of 12 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.
