December 2

John R. Lilly Memorial Lectureship

A Surgeon’s Perspective of Infant Surgery Under Regional Anesthesia

Kennith H. Sartorelli, MD
Division Chief, Pediatric Surgery
Professor, Department of Pediatrics
University of Vermont Medical Center, Burlington, VT

This presentation will familiarize the learner with the controversy regarding use of general anesthesia for infant surgery, identify potential benefits and pitfalls with use of regional anesthesia for infant surgery, and develop an understanding of practical applications of regional anesthesia in infant surgery.

December 9

Striving for Value in Pediatrics

Evan S. Fieldston, MD, MBA, MSHP
Assistant Professor of Pediatrics, University of Pennsylvania School of Medicine and Medical Director of Clinical Operations, The Children’s Hospital of Philadelphia

The presenter will define high-value health care and discuss the urgent need to focus on value; identify challenges related to addressing quality, cost and value in pediatrics; and articulate strategies for bringing high-value care into daily practice.

December 16

Career Teaching Scholars Awards

The 2016 Awardees are:

- Robin R. Deterding, MD
- Emily L. Dobyns, MD
- Stephen M. Fries, MD
- Stephanie S. Stevens, MD

These physician-educators will be recognized for their outstanding contributions to pediatric education throughout their careers. This event is always a wonderful opportunity to celebrate our gifted teachers. No CME credit offered.

December 23 and December 30
