**Creation of a National Single Center of Expertise**

*In a Changing Healthcare Environment: the Princess Máxima Center for Pediatrics Oncology*

**2017 Brent Eley Visiting Professor**

The Eley Foundation, through Brent’s Place, supports the housing needs of pediatric, adolescent, and young adult patients undergoing bone marrow transplants and other lengthy treatments for cancer and serious blood and immune disorders at CHCO. Brent’s Place ([http://brentsplace.org](http://brentsplace.org)) is the only CHCO-approved Safe-Clean housing facility for these immunocompromised patients and their families; it provides an environment designed to minimize risk of infection and promote healing and recovery through family support. CHCO is deeply grateful to Brent’s Place for supporting our patients and families and for sponsoring this visiting professorship for nearly 20 years.
