CONTINUING MEDICAL EDUCATION

4th Annual William K. Frankenburg Visiting Professorship & Lectureship

An interactive workshop for community child health providers

The Science, the Opportunity, and Breakthrough Collaborative Strategies to Impact Population Health, Development and Early Learning

Friday, November 4, 2016

8:15 am – 11:30 am
(followed by Pediatric Grand Rounds)

Children’s Hospital Colorado
Aurora, CO

David Willis, MD
Director, Division of Home Visiting and Early Childhood Systems
HRSA, US Department of Health and Human Services

Overview:
David W. Willis, MD, a recognized federal early childhood leader in Developmental-Behavioral Pediatrics and community prevention, will lead this state-of-the-art workshop. Given his broad local, state and federal perspectives, Dr. Willis will discuss science-to-practice initiatives, innovations, place-based, health and early childhood system integration and emergent population risk management activities focused to improve life course health and education trajectories for the next generation of children. The format will include lecture, discussion and case studies designed for child health care providers, public health practitioners, home visitors, early childhood systems leaders, early education providers, and state and local policy leaders.

*Fee Waived, however, Pre-Registration is required  childrenscolorado.org/ce

CME Credit: Children’s Hospital Colorado is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Children’s Hospital Colorado designates this live activity for a maximum of 3.0 AMA PRA Category 1 Credit(s) ™. Physicians should only claim credit commensurate with the extent of their participation in the activity.
