<tr>
<td>Families, along with their support network, craft initial plans that are subsequently shared with the professionals who work collaboratively with the family to ensure it is attainable and meets the highest standards for achieving the goals of safety, permanency, and well-being.</td>
<td>Families, along with their support network, craft initial plans that are subsequently shared with the professionals who work collaboratively with the family to ensure it is attainable and meets the highest standards for achieving the goals of safety, permanency, and well-being.</td>
</tr>
<tr>
<td>Families are part of the decision making team. In these instances, families partner with professionals to create consensual decisions acceptable to all parties.</td>
<td>Families have a genuine voice at the meetings. Their ideas, needs, perspectives, and other inputs are sought at the meetings, but the decision making rests with professionals.</td>
