Sign up for MyHealthConnection

You will need:

- An email address —
  if you do not have one, go to [www.gmail.com](http://www.gmail.com) to quickly create an account
- Your birthday
- The last four digits of your social security number —
  IF you do not want to use your social security number, you can use any combination of four numbers as your last four digits instead of your social security number. You will need to remember these numbers you used.

1. Google “My Health Connection University of Colorado Hospital” or go to the website:
   
   [https://www.uchealth.org/pages/access-my-health-connection.aspx](https://www.uchealth.org/pages/access-my-health-connection.aspx)

2. Click “Create a new account”
   (blue link under “New User”)

3. Enter in your email and birth date and continue on to creating the account.
